# TRIP PROFILE

In 3 cycling days and 240 kilometres of riding, this tour showcases some of Chiang Mai's famous climbs. Daily distances are just under 100 kilometres, but each day progressively builds in elevation gain, ending in over 2,000 metres climbed on Day 3. Accommodation for this trip is fixed-base- for all 3 nights, we'll stay in a comfortable and quiet boutique hotel on the river, away from the bustle of the city.

**Suitability:** For cyclists craving some solid climbs- this is the Road Escape for you. Northern Thailand's terrain is all about the cols, and those with strong fitness and climbing experience will enjoy this trip to its fullest.

**Biking Conditions:** All cycling takes place on tarmac roads in good condition through countryside and natural mountain areas. There will be many ascents and descents, some of them steep, so good handling skills are essential. Though the terrain can be challenging at times, plenty of scenic stops abound for a photo op or even chance to sip some of the region's local coffee. Your local cycling guide and support vehicle will be with you every inch of the way to let you know what's ahead and to offer you a rest and a lift should you need it.

# Day 1 Arrival - Doi Suthep

In the late morning, your guide and support crew will collect you from the airport or your hotel in Chiang Mai in time for lunch. We'll have a short briefing and bike fitting over a delicious and

fueling Northern Thai power meal before dropping our bags at the hotel and getting ready for our first ride. It's an easy 10 kilometres out of the city as we make our way to the mountain. It's a steady 16 kilometres to the very top of Doi Suthep, with fluctuating gradients to challenge your pace. The road alternates between shaded sections and open views of the city below and the ascent steepens as we near the peak, showing you why this short and spicy climb is one of Chiang Mai's most beloved rides. We'll savour the winding descent back down the mountain, and make our way to the hotel. Freshen up, take a dip in the pool, or sip one of Chiang Mai's local beers before dinner.

# Day 2 Samoeng Loop

Fuel up at breakfast because today's ride is another one of Chiang Mai's best-known rides - Samoeng Loop. After yesterday's climb up the side Doi Suthep, today we'll trace a wide circle around it, exploring the hills and terrain typical of Nothern Thailand. We'll have another 10 kilometres or so outside of the city to warm up before the elevation begins to rise. At 25 kilometres, it's full-on with several leg-testing climbs to test your best KOM. After a cruising descent through the forest, we'll head back to Chiang Mai in time for lunch. The afternoon is yours to relax, go for a Thai massage, or explore some of the city before meeting back up at the hotel for dinner.

# Day 3 Mae Wang Ride

To begin our last day of riding in Chiang Mai we'll hop in the van to transfer outside of the city to our ride start point in the countryside in Mae Wang district. We'll warm up on flat terrain through the lush countryside along the river before turning into Doi Inthanon National Park, home to Thailand's tallest peak. We'll take the less-travelled road to the top, climbing up the north side of the mountain on a 30-kilometre ride that's typical Northern Thailand, leg-testing terrain. Once at the top, we'll celebrate with coffee and snacks before continuing down the south side of the mountain and out of the National Park to the end of our ride. It's time to pack up the bikes and drive back to Chiang Mai. Treat yourself this afternoon- Chiang Mai has plenty of opportunities-before indulging in a celebratory farewell dinner with your guide and cycle mates.

# **Day 4 Departure**

After breakfast, we'll transfer you to the airport for your return flight home, or your hotel for continued stay in Chiang Mai.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

# **NUTS & BOLTS**

## **Bikes**

Because some people can't imagine going on a trip without their own beloved bicycle, we do not provide them as part of this tour. However, you can hire bikes locally for the price listed in the tour pricing section.

If you bring your own bike, please make sure it is a road bike in good mechanical order.

# Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

# Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

# Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

# Passports and Visas

If staying less than 30 days then a visa in advance is not required by European, North American, Australian and many other nationalities. Please check this <u>page</u> to see if you qualify. You will need to show proof of an onward flight out of Thailand to be eligible for the visa on arrival. This is strictly enforced. Please ensure your passport is valid for at least 6 months beyond the duration of your stay in the country.

## Health

We recommend that you visit a travel medical doctor and ask about the following vaccinations: typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days.

### Weather

Thailand generally has a tropical climate with fairly high humidity. The North and Central region have a tropical climate with fairly high humidity. Northeast Thailand has a humid hot and dry weather alternatively with medium rain while the coastal areas of the east is humid and hot with intermittent rain. The South of Thailand has a tropical climate with fairly high humidity.

There are three seasons: from March to June it is hot and dry, with temperatures between 27°C/80 F and 40°C/104 F, with night temperatures in the 20s. The rainy season is from July to October, but temperatures are slightly lower, because of the effect of the rain. During this time it will not rain continuously, but in sharp bursts, and the sun can come out quickly. The cooler season is from October to February, with average temperatures between 20°C/68 F and 30°C/86 F.

#### Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

# Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere but is NOT included in the price.

# Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we cannot match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

# **Extra Expenses**

We recommend that you tuck away a few extra dollars, perhaps US\$20 per day, for incidentals.

# Money

The Thai currency is the baht. ATMs, which are abundant, are the easiest ways to get Thai baht. Have a supply of US dollars in cash on hand, just in case your card doesn't work. Banks or the rarer private moneychangers offer the best foreign-exchange rates. Credit cards are accepted in big cities and resort hotels but you'll need baht for family-run guesthouses or restaurants.
