TRIP PROFILE

We ride a total of of 175 km in five cycling days, with an average gain of +399 m per day, and plenty of fun downhill to enjoy. The routes are designed to show you the various types of terrain and riding surfaces in Bali, including dirt, lava, gravel, sand, and tarmac, making for a challenging yet enjoyable experience. Daily climbing ranges from +200 m to +550 m, allowing for great views from remote lookout, making the most of the possibilities the mountain bike opens up. There is one section on Day 3 where it is not possible to have vehicle support, but for the most part, support is always close at hand at meeting points in case you decide to stop riding. Of course, your guide is always there to let you know what's ahead and ensure you have enough water and supplies.

Along the way, you will explore the cultural and natural heritage of Bali, with visits to temples, wildlife sanctuaries and other interesting spots that your local guide will know intimately. You will stay in resorts both in the mountains and at beautiful beaches, allowing you to relax at the end of each day and cool off in the swimming pools. This will be a diverse and fulfilling tour worthy of this dynamic and fascinating island!

Suitability: This trip is recommended for riders who enjoy and have some off-road experience, but you don't have to be an expert to get the best out of this trip. This tour is mainly on jeep trails and single track. The support vehicle cannot always follow but will meet the group at certain points along the trail. While the off-road riding is not that technical, some experience is highly recommended. We recommend practicing before the tour, preferably in warm weather, as temperatures can be quite high on Bali.

Biking Conditions: Though the rides are not exceptionally long, they present a challenge because of the slopes and rugged terrain. Flat land in Bail is almost nonexistent, so the experience is almost entirely off-road on a series of demanding surfaces, including forest trails, red mud hard-pack, volcanic sand, lava cobbles, gravel, and broken tarmac roads. There are sections of single-track in every ride, but no long rocky or rooty sections or big drops. As far as gradients are concerned, all the trails except one have an overall downhill element to them (in other words they finish at a lower altitude than the start). A few steep ascents and descents are also part of the program, but these are normally short and sharp.

Day 1: Denpasar - Sanur

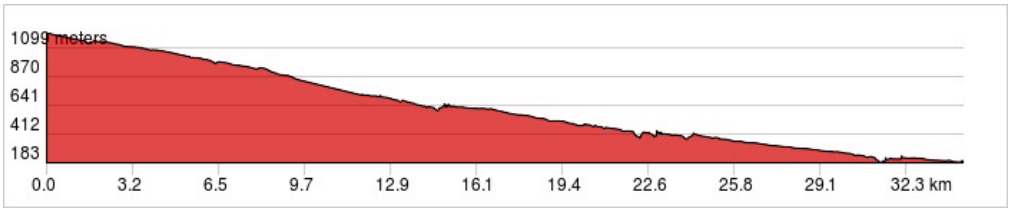

A SpiceRoads team member will pick you up from the Denpasar airport (Ngurah Rai International Airport) and you will transfer to your hotel on the east coast village of Sanur (around 1 hour). Once there, you can relax by the pool and prepare for the adventure ahead. We will meet up for a trip briefing and then head to a nearby restaurant for dinner.

Sri Phala Hotel or similar Dinner

Day 2: Batur Volcano

We head up to Penulisan on the rim of the Mt. Batur crater for the start of our first ride, with spectacular views of the volcanic cone and, on a clear day, Mt. Abang and Mt. Agung in the distance. We take dirt roads and easy single track to the village of Pinggan, where we have a well-earned lunch. A short, sharp descent takes us to the base of the volcanic cone, and we spend the afternoon riding around the base of the volcano on narrow sandy trails. With the last part of the trail crossing a lava field, there is ample opportunity to get a close up of the volcano and the strange moon-like landscape that it creates.

Pramana Zahill Kintamani or similar Breakfast, Lunch, Dinner

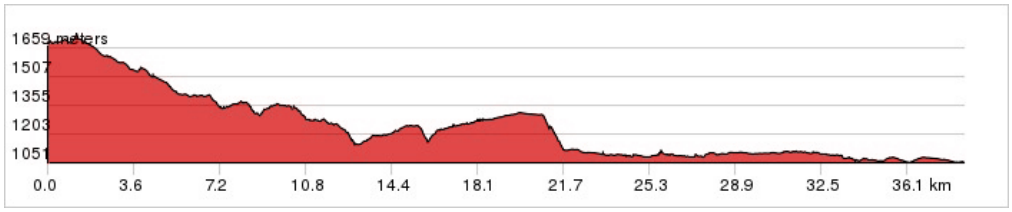

Ride 35km +233m -1249m

Day 3: Mt. Abang and Mt. Agung

This day is your chance to see what few have seen! First, we ride from Abang to the east coast starting at the edge of the Batur Crater. From there, you head downhill on jeep tracks for 8 km before turning east and climbing steadily through 10 km of pine forests to the top of a mountain pass between Mt. Abang and Mt. Agung. Lunch is served in this rarefied setting. Please be aware that this part of the island is extremely remote, and vehicle support will not be available for long stretches of the ride. The exhilarating descent to the east coast finds us cruising by dry river beds and through cashew nut plantations.

Uyah Amed or similar Breakfast, Lunch, Dinner

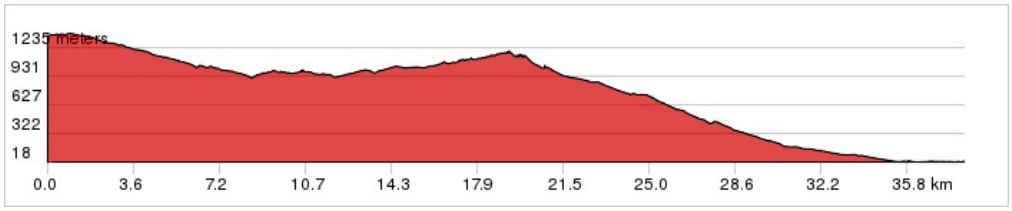

Ride 35km +580m -1212m

Day 4: Mt. Agung - Candidasa Beach

We weave our way around the side of Mt. Agung via a network of single track paths through shady coconut and bamboo groves. Pass through stone cutting and carving villages and rock quarries until you reach the ruins of a water palace at Jungutan. With incredible views over the rice paddies and a beautiful white beach (so bring along your swimming suit), we enjoy our packed lunch. The afternoon ride runs down through some of the finest rice paddy scenery in Bali ending on the stunning coastline near Candidasa Beach where a cool refreshing drink awaits.

Rama Shinta Candidasa or similar Breakfast, Lunch, Dinner

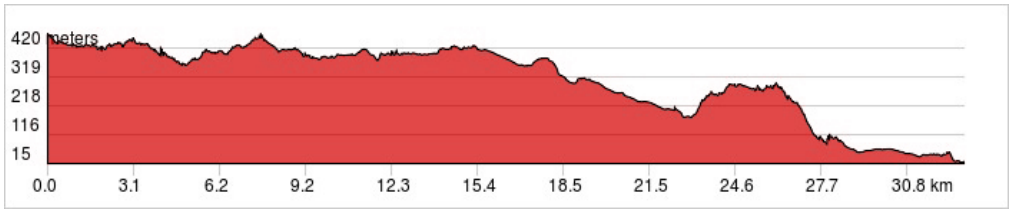

Ride 35km +480m -1820m

Day 5: Candidasa Beach - Ubud

Today's ride starts high up on the slopes of Mt. Agung and descends along a tarmac ridge with spectacular views along the south coast. We enter a large Salak fruit growing area where we weave our way through plantations and stone carving villages until we reach Muncan, where we will have lunch and then transfer to Ubud. The late afternoon is free to stroll around this artistic and spiritual centre of the island. Dinner is on your own as there are many fine restaurants to choose from in this beautiful town.

Anumana Hotel or similar Breakfast, Lunch

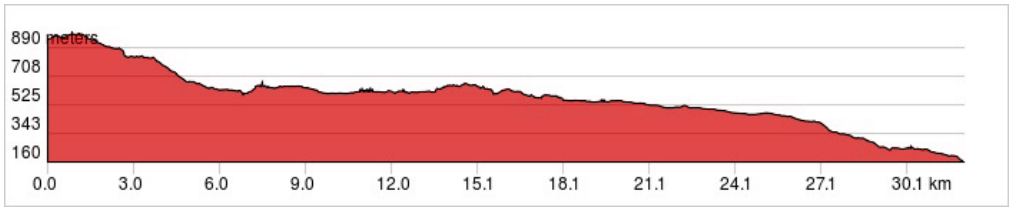

Ride 35km +438m -886m

Day 6: Ubud Loop

In the morning, we explore the serene rice paddies and off-road trails around Ubud. We stop for a local lunch and return to town in time for a walk in town, an optional rafting trip, or to relax by the pool. Rafting is an extra charge; please just let the guide know the day before. This evening, we will meet up for a final night dinner in town.

Anumana Hotel or similar Breakfast, Lunch, Dinner

Ride 30km +265m -1048m

Day 7: Ubud - Departure

This morning, we say our goodbyes. You may wish to stay longer in Ubud. Otherwise, you can take our transfer to Kuta for more time at the beach, or to the airport for departing flights.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Because some people can't imagine going on a trip without their own beloved bicycle, we do not provide them as part of this tour. However, you can hire bikes locally for the price listed in the tour pricing section.

If you bring your own bike, please make sure it is a mountain bike, preferably with front suspension, in good mechanical order.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube

and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

Visa On Arrival and Online Visas

Citizens of 80+ countries can enter Indonesia with a Visa-on-Arrival (VoA) which grants single-entry for up to 30 days. To be eligible for a visa-on-arrival you must meet the following criteria:

- Hold a passport from the countries approved for visa-on-arrival. Please see the full list here.
- Your Passport must be valid for 6 months since date of entry.
- You must have a return or onward ticket (which indicates the date of departure from Indonesia).
- You must pay a Visa-on-Arrival Fee of 500,000 IDR (around 35 USD).

Visa-on-Arrival can be procured upon arrival in Indonesia but if you would like to save time then you can apply for and receive your visa by doing it online ahead of your departure. Here is the official website to do so. **We suggest doing this as you will save time on arrival.**

Here is a useful link that summarizes the information on visas to Indonesia.

All Indonesia Digital Arrival Card

All international passengers travelling to Indonesia will be required to complete the All Indonesia application before departure (from 3 days prior up to the day of departure) in their country of origin.

1. Guests should register on the official website or via the app available on Google Play & App Store.
2. Select "Status": Choose 'Foreign Visitor (WNA)' to begin the process.
3. Complete traveller information: Fill in the form with personal details (full name, date of birth and nationality) and travel information (date of arrival, destination and flight number).
4. Provide travel details: Select mode of transport and provide the address of the first hotel in Indonesia.
5. Declare health and customs information: Answer a few questions for the health and customs declaration.
6. Review and confirm: Ensure all the information provided is accurate and submit the form.
7. Receive QR code: Upon successful submission, a QR code will be generated. This code should be downloaded and saved (a screenshot is recommended) to be presented to immigration officers upon arrival.

Please note that this arrival card is not for the Visa on Arrival or the Bali Tourist Tax; those remain separate processes.

Bali Tourism Levy

In Bali, payment of a tourism levy is required before entry. Once paid online, a voucher will be sent to you by email for you to present on arrival in Bali. Official website for tourism levy information and payment.

Health

Recommended vaccinations include typhoid, polio, tetanus and Hepatitis A. A certificate for Yellow Fever is required if arriving from an infected area within the prior six days. The more remote areas may be considered malarial areas. Please check with your doctor prior to departure for the most recent information.

Weather

Indonesia is a vast archipelago affected by a series of weather patterns, and depending on which island you are on, the weather can be hot and wet or hot and dry. Indonesia's monsoonal

climate usually means short heavy downpours rather than all-day, never-ending rain.

Located 8 degrees south of the equator, Bali is home to a tropical climate with constant temperatures during the day ranging from 28 C to 30 C at sea level, although the humidity varies throughout the year. It is highest during the rainy season which is from December to March and gradually reduces to its lowest level from May to September, when a beautiful dry cooling breeze blows across from Australia.

Lombok also has a tropical climate similar to Bali's, with the only variation being the rainy season starting earlier, and is from October to April.

Sulawesi has a warm tropical climate with wet and dry seasons lasting approximately six months each. The dry season is from April to October and the wet season is from November to May. Sulawesi enjoys year-round temperatures averaging at least 30 C.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local Indonesian dishes and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit and soft drinks are included in the tour price. We are riding in a Muslim country and though beer is available, it might not be served in some restaurants. If you choose to purchase some beer please note it is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US$10, for incidentals. It is customary to tip local tour guides and drivers, however, the amount you give should be dependent on the level of service you receive. As a general guide we suggest US$3-4 per person per day is appropriate.

Money

The official currency in Indonesia is the rupiah (Rp). Foreign currencies are not generally accepted. ATMs are widely available in cities and towns and touristy places have lots of moneychangers as well as banks. Banks usually have better exchange rates, though moneychangers may offer the best rates for cash. Credit cards can be used for larger purchases, in international hotels.

In the case where a booking is made when there are less than 60 days until the tour departure date, the tour's cost should be paid in full within 72 hours of receiving an invoice from SpiceRoads. (Exceptions being flights, special permits and other non-refundable items and these will be advised when booking the trip).

Before paying for your tour, you can cancel your booking with no charge and up until 40 days before departure, you can change your booking to another travel date or move your booking onto another SpiceRoads tour with no charges.
