## TRIP PROFILE

We ride a total of 374 km over six days of cycling, with up to 900 metres of elevation gain per day (the average gain is 683 m). However, all days except one feature more descent than climbing, meaning there is ample opportunity to recover from the climbs. Days 2 and 3 are challenging, while the climbing eases off on a longer, flatter Day 4. Days 5, 6, and 7 once again present more climbs, but always spread out over distances of 50 km to 70 km. We all ride at different speeds, and our progress may vary depending upon how we feel on the day. The guides tend to ride through the group, but stop on the top of passes to regroup. It is not essential that you try and keep up with everyone. Just ride at your own speed and enjoy it. Remember, the vehicle is there for you, driving behind the group.

**Suitability:** This trip is suitable for anyone with a reasonable fitness level. Average climbing per day is 683 m spread over distances averaging 60 km. This trip is not too arduous, but there are climbs every day, so the fitter you are, the more you will enjoy it.

**Biking Conditions:** This tour follows a mixture of good sealed roads with occasional rougher road surfaces for short distances. No off-road riding experience is required. We will ride mainly on quiet countryside roads, but sometimes we will enter towns and villages which may have moderate traffic. A support vehicle is almost always available to help you, and you will have your guides nearby you at all times. Bulgaria can be hot during the day, and cooler at night, so you may want to have a layer or two for the mornings along with your light cycling gear.

### Day 1: Arrival in Sofia

Arrive in Sofia and make your way to the hotel. Enjoy exploring this newly-prosperous city of old-world elegance and richly-layered history. Vintage trams clatter along cobble streets and past trendy cafes, overlooked by great churches, galleries and monuments. We will meet in the early evening for a trip briefing and welcome dinner in a traditional Bulgarian restaurant.

## Day 2: Sofia - Tetevan - Chiflik spas

Today, we transfer around 1h45m from Sofia to the start of our ride in the village of Tetevan, famous for its beautiful views to the Balkan Mountains. Here in the northern foothills, we slowly wind upwards to the resort village of Ribaritsa, following the Vit river upstream. We reach the highest point for the day, the Bogoi pass, on a challenging ascent to the summit through idyllic countryside. It's a great way to warm up for the journey ahead. We then enjoy a glorious descent, followed by lunch in a small spa resort set amidst the pine trees. We highly recommend taking to the warm waters to relax your legs before dinner this evening!

## Day 3: Chiflik - Koprivshitsa

After breakfast, a short transfer takes us to the highest pass in the Balkan Mountains; the Beklemeto Pass at 1500 m (we have already climbed considerably, so you do not have to pedal this entire elevation!). This is the ancient Roman Via Trayana (the Road of Trajan), and some of the Roman remains can still be seen. We make a short ascent to the zenith before commencing a scenic route down into South Bulgaria. Lunch will be a picnic next to the river, as our route heads into the south foothills of the Balkan Mountains and enters the gorgeous forests of the Sredna Gora Mountains. Our accommodation is in the beautifully-preserved historic town of Koprivshitsa, full of characteristic architecture and ambience of the 19th century. We will meet up for dinner in an authentic local restaurant.

## Day 4: Koprivshitsa - Plovdiv

After breakfast, we will visit a famous local 'house museum' to learn more about Koprivshitsa's illustrious history and culture. We then saddle up and pedal through rolling terrain among the vast meadows that sprawl across this land. A long descent into Strelcha town passes the "Crooked Beech Tree" and some interesting rock formations once used by the ancient Thracians for their sacred rituals. On the way, we visit an ancient Thracian cult temple from the 5th century BCE and have lunch at a local winery. From here on, the road rolls calmly all the way to our final riding destination, the village of Kaloyanovo (famous for its home made ice cream). Here, we will get in the van and travel for 20 minutes to the town of Plovdiv. Known as "The City of the Seven Hills," it is one of the world's oldest cities, and has a fascinating history of Thracian, Greek, Roman and Ottoman rule. Plovdiv is among the few cities with two ancient theatres; remains of the medieval walls and towers; Ottoman baths and mosques; and a well-preserved old quarter from the National Revival period with beautiful houses, churches and narrow paved streets. We will do a late afternoon walk in the old town and have dinner in the city center.

 Doubletree by Hilton Hotel  Breakfast, Lunch, Dinner

## Day 5: Plovdiv - Trigrad

An amazing day awaits us! We transfer up to the Pamporovo Ski Resort in the Rhodope (Rodopi) Mountains, stopping on the way to visit Bachkovo Monastery, the country's second largest, with its unique 17th century interiors. We jump on our bikes at Pamporovo and ride down to the village of Shiroka Laka with its many authentic Rhodopean houses. This was a restricted frontier region during the Cold War, so the villages became like time capsules. These two-storey homes feature a small cellar with a hiding place and thick white walls to conceal the courtyard from the outsiders. We will have lunch in this quaint town, then continue our ride upstream along the Trigrad River and the stunning marble rock gorge it has created over time. Once we reach the famous Rodopi village of Trigrad, we can enter the thrilling Devil's Throat Cave, which features a 40 m high underground waterfall. We will spend the night at a cozy family hotel and feast on local Rodopi specialties at dinner.

Zdravets Guest House   Breakfast, Lunch, Dinner

## Day 6: Trigrad - Dospat

This morning, wake up and take in the pristine mountain scenery, then start a descent back through the 300m high walls of the Trigrad Gorge before a gradual incline takes us up into and through Bulgaria's longest gorge, Buinovo. Known by locals as The Wolf's Leap, the 10 km-long gorge narrows to just a few metres at some points. You'll spot entrances to many caves along the way, and we'll stop to visit the beautiful 5-story tall Yagodina cave filled with fascinating formations. The terrain opens up once more to pastures and coniferous forests as we pedal to Dospat town and its dam, which dates to the 1960s and created a huge reservoir. The last section follows a quiet and scenic road very close to the lake shore, leading us to our picturesque waterfront hotel.

Hotel Panorama   Breakfast, Lunch, Dinner

## Day 7: Dospat - Velingrad

This morning, we will ride through ancient woodlands and open meadows, passing three more Soviet-era dams along the way, to finish in charming Velingrad, the spa capital of Bulgaria that sits in a serene valley. The thermal waters here have been an attraction since pre-Christian times,

as Roman clay pipes found in the region attest. Choose from dozens of hot and an ice-cold karst spring as you recover and reflect on a great ride. Wander through the quiet tree-lined streets of the town and take in this relaxing milieu. Later, we will gather for our sumptuous farewell dinner. Na zdrave!

## Day 8: Velingrad - Departure from Sofia

This morning, transfer 2.5 hours back to Sofia for your departure flight or further exploration of the city.

**Disclaimer:** The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

## NUTS & BOLTS

### Bikes

Because some people can't imagine going on a trip without their own beloved bicycle, we do not provide them as part of this tour. However, you can hire bikes locally for the price listed in the tour pricing section.

If you bring your own bike, please make sure it is a mountain bike or gravel bike in good mechanical order, with any specific spare parts and tools you may need.

### Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

### Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

### Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

## THE NITTY GRITTY

### Passports and Visas

Bulgaria is a member of the Schengen Area. Citizens of the UK, US, Canada, Australia, and New Zealand do not require a visa for short-term tourism. All visa-exempt travellers are required to obtain a valid ETIAS approval prior to arrival. This digital registration is linked to your passport and is valid for three years. The Entry/Exit System (EES) is operational at all borders, involving a biometric registration of facial images and fingerprints upon entry into the Schengen zone. For citizens of the EU, Switzerland, and Norway, entry is permitted with a valid National ID card or passport. Ensure your passport is valid for at least three months beyond your intended date of departure.

### Health & Insurance

No specific vaccinations are mandatory for entry to Bulgaria. It is advisable to be current on standard boosters such as Tetanus and Hepatitis A/B. Comprehensive travel insurance is essential and should specifically cover cycling activities and medical evacuation, particularly when riding in the remote Rhodope or Rila mountain ranges. EU citizens should carry a valid European Health Insurance Card (EHIC). UK citizens should carry a Global Health Insurance Card (GHIC) to access reciprocal state-provided healthcare for necessary medical treatments.

### Weather

The prime window for cycling in Bulgaria is from late April to September. June and September offer the most comfortable riding temperatures, typically ranging between 20°C and 25°C. In July and August, the lowlands and the Rose Valley are often hot, with temperatures exceeding 30°C, making the higher elevations of the Rhodopes a necessary escape. In the high Rila and Pirin ranges, snow can linger into early June at elevations above 2,000 metres. A high-quality waterproof shell and a warm mid-layer are recommended for mountain descents.

### Food

Bulgarian cuisine is a soulful and hearty reflection of the Balkan landscape. Banitsa, a flaky pastry filled with eggs and white brined cheese, is a staple breakfast item. Shopska Salad, made with tomatoes, cucumbers, and a generous grating of Sirene cheese, is a national icon. In the mountains, Patatnik is a slow-cooked potato and herb dish unique to the Rhodope region. Bulgarian yogurt is world-renowned for its unique probiotic culture and is served with most meals. All dietary needs are catered to upon notification at the time of booking.

### Drink

Tap water in Bulgaria is generally safe to drink, especially in the mountain regions where it is sourced from natural springs. Coffee culture is strong, with espresso being the standard choice in towns. Bulgaria has an ancient winemaking tradition, featuring robust local varieties like Mavrud and Melnik. For a traditional post-ride experience, Rakija is a fruit brandy often served with a salad or meze platter. Alcohol during meals is not included in the tour price.

### Solo Travellers

SpiceRoads welcomes solo adventurers and does not charge a mandatory single supplement. We arrange for you to share a room with another traveller of the same gender. If no match is available, you receive a single room at no additional cost. If you prefer to guarantee your own private room for the duration of the trip, a single supplement is available at the rate listed in the tour pricing.

### Extra Expenses

Bulgaria offers excellent value, particularly in the rural interior. Budget for personal incidentals such as artisanal honey, traditional pottery, or high-quality rose oil products from the Rose Valley. Tipping is not mandatory but is a common gesture of appreciation, usually around 10 percent for good service in restaurants and for your support crew.

### Money

The currency is the Euro (€). Credit and debit cards are widely accepted in hotels, larger restaurants, and shops in Sofia and major regional hubs. Cash machines are available in all towns and accept most international cards. In small mountain villages and remote tavernas, the economy remains largely cash-based. It is essential to carry Euro notes for use in local markets and for small purchases where digital terminals are unavailable.
