TRIP PROFILE

We ride a total of 475 km over 8 days of cycling. In order to avoid traffic and arrive at the ideal cycling or sightseeing locations, most days will include vehicle transfers before and/or after the rides. The bulk of the cycling is usually in the mornings, with the afternoons typically including some lighter cycling along with opportunities to explore the local surroundings, relax by the beach or pool, or head to the spa for a massage. The trip begins with a flat ride in Hue and the surrounding countryside, which is a nice warm-up. Day 2 features a succession of significant hills with up to 100 m of climbing each, a segue to Day 3, with its formidable 420 m climb up the Hai Van Pass. Days 4 and 5 are easier, with relatively flat riding from Hoi An to My Son and south of Hoi An. Days 6 to 8 present a wide variety of terrain, with some gentle climbs or rolling sections punctuated by several series of hills of 50 m to 150 m in height, with some steep sections of grades between 5% and 10%, mostly in the latter half of each ride. Day 9 is an off-bike day at Whale Island where you can trade in your bikes for snorkels, kayaks or beach chairs!

The trip is fully supported, and your guide's expert knowledge of the area and terrain means that you always know what is coming up in terms of distance and difficulty. This makes a tremendous difference, as does the constant supply of water and refreshments along the way.

Suitability: This is an Active level trip that will provide some challenging climbing sections (up to 635 m per day) and significant distances (anywhere from 30 km to 90 km per day). The climbs are always interspersed with downhills and flat sections, and the toughest days are distributed throughout the trip, allowing for recovery in between. While less experienced cyclists are welcome to join the trip, it is best suited for cyclists with the stamina to cycle those distances and elevations on successive days. Central Vietnam can be quite hot and humid even in the morning hours, so it is helpful to acclimatize to these types of conditions before the trip, if possible. To fully enjoy the trip, riders should also have the confidence to navigate a bike through occasional crowded streets and rough sections of broken pavement. Of course, it is always an option to proceed through tricky sections on foot, or skip ahead, as a support vehicle is available at all times to provide refuge for weary riders.

Biking Conditions: This trip is mainly on good quality tarmac roads and some vehicle-width dirt roads. There are occasional bumpy sections, but nothing overly technical. While we have sought out bike-friendly routes, we will be regularly sharing the roads with other vehicles, including cars, motorbikes, and buses. We generally ride rain or shine, but based on the guide's discretion or your level of comfort, modifications to the planned route and schedule can be made. It's all part of the adventure!

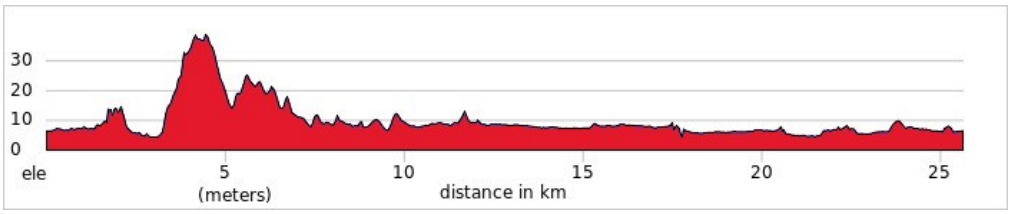

Day 1: Meet in Hue

We start our tour with a morning pickup from your hotel in Hue. Please be ready to ride! You will meet your friendly guide, who will introduce you to your trusty two-wheeled companions for the week! We are off for a spin through this atmospheric city and its surroundings, where monuments of the last dynasty of Vietnam surprise us as we wind our way through tree-lined lanes and elevated roads in the fertile rice paddies. We visit the grandiose tomb of a famous emperor (truly a palace for the afterlife), cross the beautiful Perfume River by small ferry, explore the 17th century Thien Mu Pagoda at its majestic vantage point over the river, and then arrive at the Forbidden City of the Nguyen dynasty, a moated palace that played a crucial role from the rise of the Nguyen dynasty, to the French colonial era, to the Tet offensive. After lunch, check into our hotel, take some free time to relax, or head out for a walk in this engaging riverfront city, with its many parks, gardens, and grandiose tombs of emperors nearby.

Please let us know if we can help with any pre-trip hotel bookings or airport transfers!

Ride 26km +105m -105m

Day 2: Hue → Lang Co

This morning, we check out of our hotel in Hue and take a 15-minute drive to the outskirts of town. We rendezvous with our bikes and pedal along canals and rivers into the estuary of the Perfume River, a more isolated region of farming and fishing villages. We then arrive at the uncanny "Ghost City," made up of huge, remarkably ornate mausoleums to ancestors, many of which are funded with money sent home by Vietnamese expatriates living abroad. The artistry of the mausoleums makes for a striking contrast with the rural landscape of rice fields, woods, and wetlands. The ride continues through this serene countryside and culminates by the shores of Vietnam's largest lagoon, where locals raise an abundance of oysters and fish. After taking in this dramatic view, we transfer 30 minutes to Lang Co Beach Resort for lunch. The rest of the day is yours to enjoy the resort, head to the spa, or relax at the beach.

Langco Bay Retreat Breakfast, Lunch, Dinner

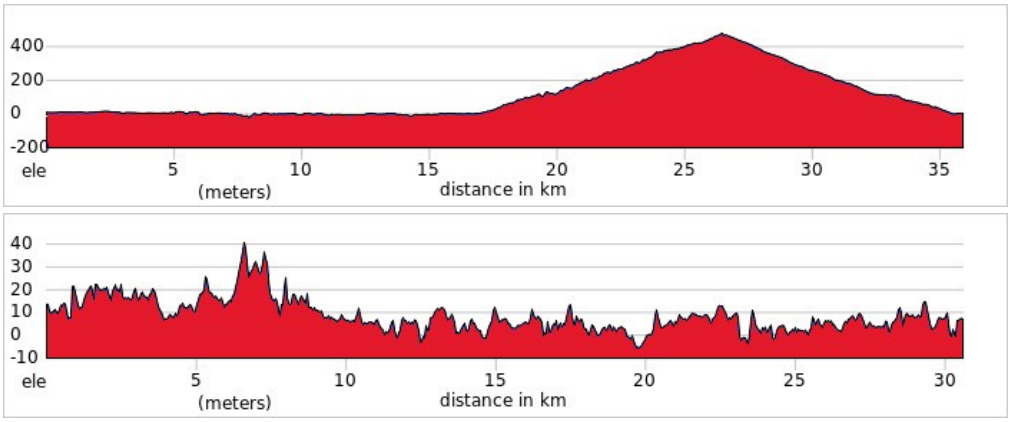

Ride 64km +281m -266m

Day 3: Lang Co → Da Nang → Hoi An

From Lang Co, we start with a 15 km loop around the picturesque Lap An Lagoon, framed by mountains and dotted with oyster farms. Next, we tackle the iconic Hai Van Pass, a flagship achievement for cyclists in Vietnam! On smooth tarmac, we ascend nearly 500 meters over 10 winding kilometers, taking in views of the blue South China Sea and headlands covered in jungle and sandy beaches. We'll catch our breath at the top before enjoying the thrilling 10 km downhill ride into Da Nang, Vietnam's third-largest city. To avoid the heavy traffic, we opt for a lift in the support vehicle and drive to a favorite restaurant in town for lunch. In the afternoon, we enjoy a gentle ride out of Da Nang's southern outskirts, pass the famous Marble Mountains, and arrive in Hoi An, Vietnam's darling UNESCO World Heritage-listed town. Once a major maritime trading center, Hoi An boasts beautifully preserved architecture with Vietnamese, Chinese, Japanese, Portuguese, and French influences. We will spend two nights here, giving us a chance to enjoy the sights and atmosphere of this energetic community which has retained its festiveness, vibrancy and entrepreneurial spirit.

La Charm Hoi An Hotel Breakfast, Lunch, Dinner

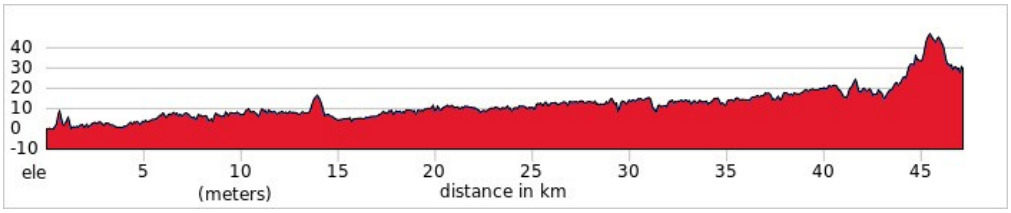

Ride 67km +900m -912m

Day 4: Ride to My Son

This morning, we cycle directly from our hotel out of Hoi An on small village roads and then make our way up the Thu Bon River by roads and farm lanes. The ride is a fascinating immersion in the

region's ecosystem and surrounding agrarian economy, inextricably tied to the natural cycles of the tides, seasonal rains, and jungle flora. Eventually, we arrive at My Son, ancient capital of the Cham civilization, who ruled this region until some 500 years ago. Although some of the temples were destroyed by American bombs, there are many remaining temples that convey the prosperity and artistry of the Champa kingdom. We will have lunch before visiting the site on foot. In the afternoon, we transfer by van just over one hour back to Hoi An. Dinner is on your own tonight, so get adventurous and try the delicious Vietnamese food Hoi An's markets and riverside restaurants have to offer! Your guides will be happy to recommend some of their favorites.

La Charm Hoi An Hotel Breakfast, Lunch

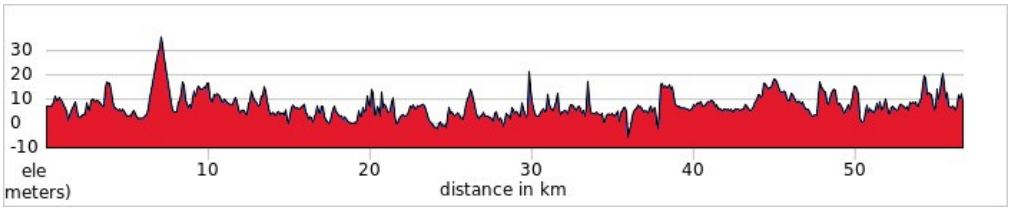

Ride 47km +232m -202m

Day 5: Hoi An → My Lai → Quang Ngai

We cycle out of Hoi An and cross the Cua Dai Bridge, which spans high above the Thu Bon River, with impressive views of the open ocean and the Cham Islands in the distance offshore. We have a pleasant ride on quiet rural riverside roads, interacting with friendly local farmers, eventually reaching the village of Tam Thanh to enjoy the beach and a lunch of local seafood. We then transfer around 1.5 hours and spend the afternoon at My Lai, where we visit the memorial and museum at the site of one of the worst massacres of the Vietnam-America War. A final 30-minute drive brings us to the coast of Quang Ngai, where we spend the night at a beautiful waterfront resort.

Cocoland River & Beach Resort Breakfast, Lunch, Dinner

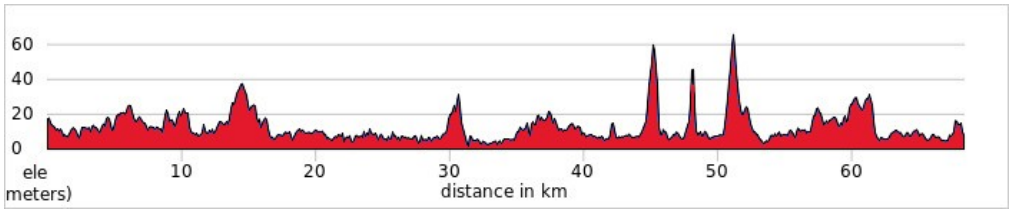

Ride 57km +408m -406m

Day 6: Quang Ngai → Quy Nhon

This morning, we will transfer by van for 2.5 hours to arrive at ideal cycling roads further south. We will hop on our bikes and begin a diverse ride through rolling coastline, rice paddy fields, salt making flats, fishing villages, and a series of small passes (less than 70 m of elevation gain each) that form natural gateways to isolated beach communities. Our destination is Quy Nhon, an American port and supply centre during the Vietnam War and refuge for thousands of Vietnamese fleeing the vicious bombing of the countryside, and now a prosperous mid-size hub for the agriculture and fisheries of Binh Duong Province. We end today's beautiful bike ride beside a large river estuary with a view to the Quy Nhon skyline and take a brief transfer to our hotel in the city center. Enjoy a walk on the city's bustling side streets and along the waterfront promenade before a well-earned dinner at one of your guide's favorite restaurants!

Anya Hotel Breakfast, Lunch, Dinner

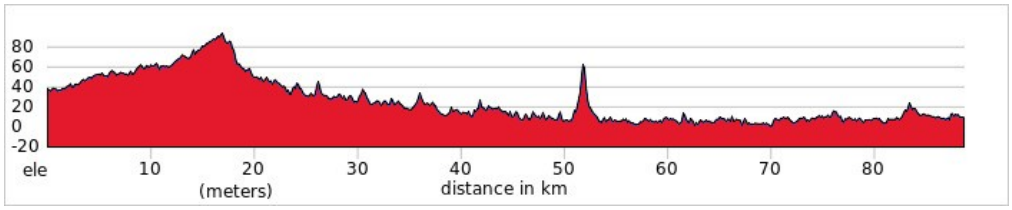

Ride 68km +465m -473m

Day 7: Quy Nhon → Tuy Hoa

We transfer 45 minutes out of the city of Quy Nhon to a panoramic inland road along the floor of the Ky Lo River valley. The terrain is green and gently rolling, with beautiful views of the highland foothills as we pass through a mix of tribal and Viet villages on this smooth, gently sloping road. Leaving the valley after about 50 km, we wind our way on quiet trails along a lagoon surrounded by farmland with energetic market villages along the way, ending with an impressive section along the coast as we enter the coastal city of Tuy Hoa past a series of modern sculptures on its newly-beautified waterfront. Your stylish hotel is within walking distance of the sea and the city core, giving you a chance to experience another of Central Vietnam's lesser-known but rising cities.

APEC Mandala Phu Yen Breakfast, Lunch, Dinner

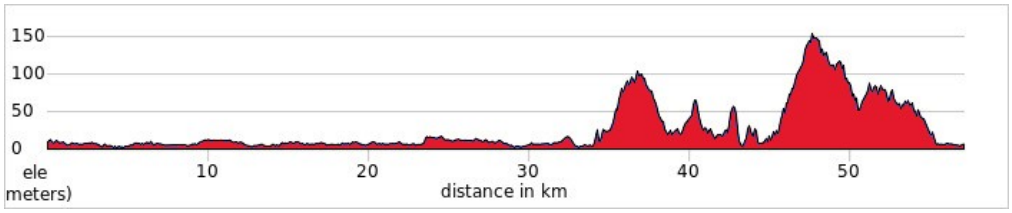

Ride 89km +527m -555m

Day 8: Tuy Hoa → Whale Island

Cycling directly from our hotel, we wind our way out of Tuy Hoa. After a flat 30 km, we tackle a solid challenge as we ascend the Ca Pass towards Vung Ro Bay. Along the way, we pass villages nestled in coves and rugged headlands jutting out into the sea. Our ride finishes at Dai Lanh Beach, where we pause for lunch before taking a 30-minute vehicle transfer to a nearby port. Here, we board a boat and cruise to Hon Ong (also known as Whale Island) — a small, pristine, tropical paradise where we wrap up our Central Vietnam adventure with two nights at a secluded eco-resort. The concept here is comfort meets back-to-nature: don't expect air conditioning, a TV, or reliable Wi-Fi, but instead enjoy rustic bungalows. wholesome food, and the quiet, undisturbed beauty of island life.

Whale Island Resort Breakfast, Lunch, Dinner

Ride 57km +626m -630m

Day 9: Whale Island Free Day

The day is yours to enjoy Whale Island at your leisure. This 900-hectare island is pristine and uninhabited apart from the resort, making it a sanctuary for all forms of life. Above the water, a network of scenic hiking trails cuts through lush greenery and rocky headlands. Below the

surface, protected coral reefs offer world-class snorkelling right off the shore. Paddling out into the calm waters by kayak is another fantastic way to soak in the secluded surroundings at your own pace. Activities can be arranged and paid for directly with the resort. Lunch is on your own, but we will gather for our farewell dinner in the evening.

Whale Island Resort Breakfast, Dinner

Day 10: Whale Island → Nha Trang

In the morning, we take the boat back to the mainland and provide a single group transfer to Cam Ranh International Airport (CXR). The total driving time is around 3 to 3.5 hours. **Please only book departure flights from 16:00 hrs. (04:00 PM) onwards**. We recommend Vietnam Airlines for their reliability on this route. If you are extending your stay in Nha Trang, we can also drop you off at your post-tour hotel.

Breakfast

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Because some people can't imagine going on a trip without their own beloved bicycle, we do not provide them as part of this tour. However, you can hire mountain bikes locally for the price listed in the tour pricing section. If you bring your own bike, please make sure it is a hybrid or a mountain bike with tires at least 35mm wide. A front suspension may be helpful to smooth out the bumps, but it is not essential.

We also have e-bikes available for hire, but they are limited in number & size. Please send an email to us to check on availability.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

The visa requirements for Vietnam can be divided into three sections, dependent on your nationality and the point of entry/exit. Please review the details below to determine which applies to you. Visa policies are subject to change, and it is the traveler's responsibility to confirm their visa requirements for Vietnam before departure.

E-Visa

The Vietnam e-visa is now available to almost all nationalities. You can apply for a single or multiple-entry visa valid for up to 90 days. Application is through the Vietnam **visa portal**. Please note that e-visas cannot be used if you are joining Road Biking from Saigon to Angkor (more information in the **Visa on Arrival** section below).

Please carefully fill out the form and check the information you have entered. Even minor spelling errors will render the visa invalid and your entry to Vietnam will be denied.

For peace of mind, we suggest applying for your e-visa as early as possible, and no later than 2 weeks before your expected arrival in Vietnam. While processing time is generally no more than 1-3 working days (not including weekends and Vietnamese holidays), it is wise to give yourself some buffer time in case there are any issues.

If you are joining a multi-country trip beginning in Vietnam, please be sure to select the correct exit point from the list below:

- Saigon to Bangkok by Bicycle and Biking Saigon to Angkor Wat: Vinh Xuong Landport
- Remote Vietnam and Laos by Bike: Na Meo Landport
- Biking Hanoi to Luang Prabang: Tay Trang Landport
- Cultural Road from Hoi An to Angkor Wat: Le Thanh International Border Gate

If your SpiceRoads trip will end in Vietnam, please choose your point of exit as the airport, port or land border through which you have arranged to leave Vietnam.

Please keep a printed copy of your e-visa with you at all times, as it may be requested at some exit points.

Visa Exemption

Citizens of certain countries (including many European and Asian nations) can enter Vietnam visa-free for up to 45 days. Please check if your nationality is exempt here before applying for an e-visa. If you are on the exemption list, you still need to make sure that your passport is valid for at least 6 months from your date of entry and has at least two blank pages. You do not need to apply for anything in advance; you will simply receive an entry stamp at immigration upon arrival.

Visa on Arrival

If you are joining "Road Biking from Saigon to Angkor", **e-visas are not permitted for the exit through the land borders we cross during the tour.** Before the tour, our sales team will collect your passport and flight information from you, and we will provide you with the Visa on Arrival letter within 10 business days.

When you arrive in Vietnam, you will need to present the following at the Visa on Arrival counter:

- a printed copy of the Visa on Arrival letter, which we will have sent to you by email. You will also likely need this printed letter to check in and board your flight to Vietnam.
- the visa stamping fee (USD $25 for a single-entry visa). Please prepare the visa fee amount in cash, using USD or the equivalent in Vietnam dong to avoid unfavourable airport exchange rates.
- two printed passport photos.

Your Visa on Arrival will be processed quickly, and you may then proceed to immigration to enter Vietnam.

Please ensure that you update our sales team if your passport or flight details change before the tour, as mismatched information will result in entry to Vietnam being denied. Changes to this information when a Visa on Arrival letter has already been issued will result in a charge for a new letter to be processed.

Important Update: Effective immediately, all non-Vietnamese nationals entering the country in Hanoi (Noi Bai International Airport - HAN), Danang (Danang International Airport - DAD), Ho Chi Minh City (Tan Son Nhat International Airport - SGN) and Phu Quoc (Phu Quoc International Airport - PQC), must complete the **Digital Pre-Arrival Declaration** form before arrival. Please fill out the details on the official website here **within three (3) days before your arrival in Vietnam**. This is a free process - beware of fake websites that charge a fee. If you are

already travelling within the three days before your planned arrival in Vietnam, then we suggest completing the form while you are at a hotel with reliable Wi-Fi. It only takes a few minutes. After submission, you will receive a QR Code. Please save a screenshot of this code on your phone to present at immigration.

Health

Weather

Weather in Vietnam is divided into 4 main regions - the far north, north, central and south.

The far north can get very cold in December and January while the dry season runs from October to late March and the wet season between April to September.

In Hanoi & the north, it is hot, wet and humid from May to October while November to April is cooler and dry.

Central Vietnam experiences hot, dry weather between January & August with temperatures ranging in the mid 30°C. High levels of rainfall are during September - November.

Southern Vietnam is dry and hot from November to April, and warm and wet between May & October, with the highest rainfall in June, July & August.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are Vietnamese food and features noodles, rice curries and soups. Vietnamese cuisine is world famous and we make sure you sample as much variety as possible. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere in Vietnam but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US$10, for incidentals. It is customary to tip local tour guides and drivers, however, the amount you give should be dependent on the level of service you receive. We will send you a tipping guideline before the tour begins.

Money

The official national currency is the Vietnam dong (d), but the US dollar is widely accepted in tourist centers. However, in smaller towns and villages the dong is preferred. ATMs are available in all major tourist destinations and big cities. Vietcombank has the best network with a single withdrawal limit of 2,000,000d (about US$125). Most major currencies can be exchanged at leading banks in Vietnam, but the US dollar is preferred away from the tourist centers. Changing US$100 will make you an instant millionaire! You cannot legally take the dong out of Vietnam but you can reconvert reasonable amounts of it into US dollars on departure.
