TRIP PROFILE

This tour is a combination of sightseeing and cycling. We ride a manageable 30km a day, but because we cover quite a lot of ground and take in all the major sites, the days are quite full and action-packed. The riding is fairly easy, and we follow a wide range of trails ranging from canal paths, minor roads to dirt paths.

The trip is fully supported and your guide's expert knowledge of the area and terrain means that you always know what is coming up in terms of distance and difficulty. This makes a tremendous difference, as does the constant supply of cold drinks and fresh fruit.

Suitability: This tour is suitable for all levels of riders and is a popular choice for families.

Biking Conditions: This trip is a mixture of hard-packed jeep trails and smooth tarmac. An air-conditioned bus travels behind the group to support us, and participants can cycle as much or as little as they like and still enjoy the same views as the rest of the group.

Day 1 Bangkok - Samut Songkram - Kanchanaburi

Starting in Bangkok we drive south to start our bicycle exploration of the Mae Klong Delta area at Damnoen Saduak Floating Market, the biggest and most colourful in Thailand and a must for any visitor. Purchase just about anything from the vast array of "shops" on the river. We then embark on a long-tail boat and cruise through a maze of canals cutting through local villages and various plantations. Arriving at a riverside temple, you can visit the temple before we start riding through coconut and aloe vera plantations as well as fruit orchards. Riding quiet back roads we stop to visit temples, including a few quirky ones, and appreciate the countryside. Depending on the season, you will see lychees, pomelos, guavas and coconuts ripe for picking. We lunch at a riverside restaurant and continue cycling for 13 km on picturesque trails through lush vegetation. We then transfer 1.5 hours to Kanchanaburi for our first overnight stop.

Day 2 Kanchanaburi

After a leisurely breakfast we visit the local sites – the War Museum and Cemetery and the famous Bridge Over the River Kwai. We then board the local train for a stunning ride on the Death Railway. After lunch at Krasae Caves we start biking along some great trails, passing by some teak plantations and small Thai villages, on our way to Prasat Mueang Sing. This historical site covering some 74 hectares is believed to have been used by the Khmer Empire as a trading point along the Kwai Noi River. We ride around the park and visit the museum before packing up the bikes and driving the short way to our riverside hotel.

Day 3 Kanchanaburi - Ayutthaya

After breakfast at the hotel we have a chance to further explore this very scenic province. We will ride from the hotel and head off on quiet country trails. We pass small communities and finish our ride by crossing over a wooden suspension bridge. In the afternoon we drive via Suphanburi to the former capital city of Siam, Ayutthaya, which is located approximately 80 kilometres to the north of Bangkok. The ancient city of Ayutthaya is known as the "Venice of the East" and is situated on the banks of the Chao Phraya River. Dinner is on your own tonight but the guide will be happy to give you some recommendations.

Day 4 Ayutthaya - Bang Pa In - Bangkok

Today we offer an optional early-morning (6 am!) tour to visit the local temple and make merit by donating food to the monks, a traditional practice for Thai Buddhists which can also be a meaningful experience for non-Buddhists. We then return to the hotel for breakfast. Our tour today gives us a glimpse into the glory of the Ayutthaya Empire (1350-1767 A.D.) by visiting the many remains of temples. The first visit of the day is by van to Wat Yai Chai Mongkol. This well-tended temple was founded by King U-Thong in 1357 as a center for monks returning from study in Sri Lanka. We then transfer a short way to Wat Phra Mahathat to photograph the famous Buddha head entwined in tree roots before we ride our bikes to Wat Phra Sri Sanphet, the old palace, and Wat Chai Watanaram. We leave the temples behind and head into the countryside on small back roads. The final ride to Wat Niwet Thamprawatang is a real pleasure as we must cross the river via cable cars. After exploring this final, utterly unique temple we end our bike tour and we'll transfer back to Bangkok by car. Your guide and support crew will bid you farewell and drop you off at your hotel! Those looking to extend their stay can experience city life in Bangkok, or venture to northern Thailand for a look at the relaxed cities of Chiang Mai and Chiang Rai. **Or turn a short trip into a real holiday you can add our [Khao Yai Wine Trails] (https://www.spiceroads.com/tours/khao_yai) trip to this tour and receive a 5% discount on the total price. **

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Bike hire is included in the tour. The bikes are well-known makes of mountain bikes with lightweight alloy frames, 24- to 27-speed gearing, v-brakes and Shimano components and front suspension.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

Visitors from 93 countries can enter Thailand for 60 days without applying for a visa. See [here](#) if your country is on the list. If you do not hold a passport from one of these countries please contact the Thai embassy or consulate nearest to you about applying for a visa. If you intend to stay for more than 60 days you will also need a visa. Please check this [page](#) for more details and the latest updates. Please ensure you hold a passport with at least 6 months of validity remaining. You will need to show proof of an onward flight out of Thailand to be eligible for the visa on arrival. If you do not possess a ticket proving your exit from Thailand within 60 days of arrival, you may be denied boarding.

Important Update: As of **May 01, 2025** all non-Thai nationals entering Thailand by air, land, or sea must complete the **Thailand Digital Arrival Card (TDAC) online** before arrival. Please fill out the details on the official website [here](#) **within three (3) days before your arrival in Thailand**. This is a free process - beware of fake websites that charge a fee. If you are already travelling within the three days before your planned arrival in Thailand, then we suggest completing the form while you are at a hotel with reliable Wi-Fi. It only takes a few minutes.

Health

We recommend that you visit a travel medical doctor and ask about the following vaccinations: typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days.

Weather

Thailand generally has a tropical climate with fairly high humidity. The North and Central region have a tropical climate with fairly high humidity. Northeast Thailand has a humid hot and dry weather alternatively with medium rain while the coastal areas of the east is humid and hot with intermittent rain. The South of Thailand has a tropical climate with fairly high humidity.

There are three seasons: from March to June it is hot and dry, with temperatures between 27°C/80 F and 40°C/104 F, with night temperatures in the 20s. The rainy season is from July to October, but temperatures are slightly lower, because of the effect of the rain. During this time it will not rain continuously, but in sharp bursts, and the sun can come out quickly. The cooler season is from October to February, with average temperatures between 20°C/68 F and 30°C/86 F.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we cannot match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$20 per day, for incidentals.

Money

The Thai currency is the baht. ATMs, which are abundant, are the easiest ways to get Thai baht. Have a supply of US dollars in cash on hand, just in case your card doesn't work. Banks or the rarer private moneychangers offer the best foreign-exchange rates. Credit cards are accepted in big cities and resort hotels but you'll need baht for family-run guesthouses or restaurants.
