## TRIP PROFILE

Experience an exciting full-day adventure in beautiful Mae Taeng, a green and lush natural playground at the foot of the mountains just north of Chiang Mai. Rise early for a morning of superb cross country mountain biking followed by an exhilarating afternoon of white water rafting on the rapids of the Mae Taeng River.

Just a short hop from Chiang Mai we get on our bikes and start to ride through the verdant landscape of Mae Taeng on our secret trails, snaking on back country trails through the natural surroundings that will take you up and down for 7 km. We'll have stunning views of the valley formed by the Mae Taeng River, see local plantations and ride through small villages. When we hit tarmac it's only 11 more kms to the Mae Taeng River where we will be shortly rafting down. After sighting the Mae Taeng River from the bike, we now get to know its full power as we embark on an exhilarating downstream run through grade 3 and 4 rapids. We'll ride the river's swell, becoming raging whitewater pushing its way out of the mountainous tropical rainforest around Chiang Mai. During the 10 km route that will take about two hours, experience the beauty of remote areas as we follow the river through untouched wilderness and past quaint rural hill tribe villages. Before we touch the water you will be given full safety instructions and be escorted by professional guides for the best raft experience in Chiang Mai!

We cycle a total of 18 km. After our two hours of rafting there will be a place to change before we transfer you back to your hotel so bring a spare set of clothes.
