TRIP PROFILE

We ride on small back roads with little traffic. The terrain is undulating but there is always a support vehicle close by if any of the hills prove too taxing. This tour is suitable for anyone with minimum biking experience.

The trip is fully supported and your guide's expert knowledge of the area and terrain means that you always know what is coming up in terms of distance and difficulty. This makes a tremendous difference, as does the constant supply of cold drinks and fresh fruit.

Suitability: This tour is suitable for riders with some biking experience. You can expect a fairly gentle ride each day with none of the distances being overly long. There are a few small hills, but these can be tackled by anyone with even a moderate amount of fitness. The emphasis on this tour is Thailand's scenery off the beaten track.

Biking Conditions: This trip is a mixture of rough and smooth tarmac. An air-conditioned bus travels behind the group to support us, and participants can cycle as much or as little as they like and still enjoy the same views as the rest of the group.

Day 1 Bangkok - Ampawa

From Bangkok we transfer to the colourful Damnoen Saduak Floating Market for a long-tail boat ride to Wat Amphawan Chetiyaram. Start cycling on back roads through coconut plantations, fruit orchards and temples, and after lunch, on quiet, beautiful trails.

Day 2 Ampawa - Kaeng Krachan

After a leisurely breakfast we transfer for approx 1.5 hours to Kaeng Krachan National Park. Thailand's largest national park, Kaeng Krachan is an excellent place for an adventurous day. On the way we stop to visit a prison facility that looks like a nice park with clay houses and animal farms. Here, good-standing inmates get trained on vocational skills such as building clay houses, car mechanics, farming, and caring for livestock before their release. This is an open prison camp where the public can visit to utilize the services provided by the inmates whether it be getting a haircut, drinking coffee or having their car fixed. After lunch we hop on our bikes and cycle on the edge of a large reservoir where we can enjoy the views and cool breezes. We ride along the lake's shoreline and across an impressive dam before heading inland along trails and quiet country roads. We will stop often in this tranquil area to take in the wonderful views and give you time to take photos. There are some small hills but nothing too strenuous or taxing. The ride will end at our very comfortable, secluded and traditional resort beside the river set in wonderfully landscaped grounds. Here we have time for a swim or massage before we enjoy dinner at the hotel.

Day 3 Pranburi - Bangkok

We start the day with a short transfer of approx 1.5 hours to our starting point just outside Hua Hin. On this fascinating ride we pass through fishing villages, past schools, temples and many coconut plantations. The bike path along the coast makes our cycle very relaxing as we enjoy the views on our ride. We pass along Khao Kalok, which is a large rock that separates one bay from another and is an excellent view point if you climb to the top. The ride will end at a local restaurant overlooking the sea where we will have lunch and a chance to rest before heading to a local resort, back to Hua Hin or Bangkok.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Bike hire is included in the tour. The bikes are lightweight alloy frames, 24- to 27-speed gearing, v-brakes and Shimano components and front suspension.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

Visitors from 93 countries can enter Thailand for 60 days without applying for a visa. See [here](#) if your country is on the list. If you do not hold a passport from one of these countries please contact the Thai embassy or consulate nearest to you about applying for a visa. If you intend to stay for more than 60 days you will also need a visa. Please check this [page](#) for more details and the latest updates. Please ensure you hold a passport with at least 6 months of validity remaining. You will need to show proof of an onward flight out of Thailand to be eligible for the visa on arrival. If you do not possess a ticket proving your exit from Thailand within 60 days of arrival, you may be denied boarding.

Important Update: As of **May 01, 2025** all non-Thai nationals entering Thailand by air, land, or sea must complete the **Thailand Digital Arrival Card (TDAC) online** before arrival. Please fill out the details on the official website [here](#) **within three (3) days before your arrival in Thailand**. This is a free process - beware of fake websites that charge a fee. If you are already travelling within the three days before your planned arrival in Thailand, then we suggest completing the form while you are at a hotel with reliable Wi-Fi. It only takes a few minutes.

Health

We recommend that you visit a travel medical doctor and ask about the following vaccinations: typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days.

Weather

Thailand generally has a tropical climate with fairly high humidity. The North and Central region have a tropical climate with fairly high humidity. Northeast Thailand has a humid hot and dry

weather alternatively with medium rain while the coastal areas of the east is humid and hot with intermittent rain. The South of Thailand has a tropical climate with fairly high humidity.

There are three seasons: from March to June it is hot and dry, with temperatures between 27°C/80 F and 40°C/104 F, with night temperatures in the 20s. The rainy season is from July to October, but temperatures are slightly lower, because of the effect of the rain. During this time it will not rain continuously, but in sharp bursts, and the sun can come out quickly. The cooler season is from October to February, with average temperatures between 20°C/68 F and 30°C/86 F.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we cannot match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$20 per day, for incidentals.

Money

The Thai currency is the baht. ATMs, which are abundant, are the easiest ways to get Thai baht. Have a supply of US dollars in cash on hand, just in case your card doesn't work. Banks or the rarer private moneychangers offer the best foreign-exchange rates. Credit cards are accepted in big cities and resort hotels but you'll need baht for family-run guesthouses or restaurants.
