TRIP PROFILE

We ride on small back roads with little traffic and some short off road sections. The terrain is undulating with one major climb of 2 km, but just in case our support vehicle is always close by. This tour is suitable for anyone with minimum biking experience.

The trip is fully supported and your guide's expert knowledge of the area and terrain means that you always know what is coming up in terms of distance and difficulty. This makes a tremendous difference, as does the constant supply of cold drinks and fresh fruit.

Suitability: This tour is suitable for riders with some biking experience. You can expect a fairly gentle ride each day with none of the distances being overly long. There are a few small hills, but these can be tackled by anyone with even a moderate amount of fitness. The emphasis on this tour is Thailand's scenery off the beaten track.

Biking Conditions: This trip is a mixture of wide, hard-packed dirt trails, single track and smooth tarmac. An air-conditioned bus travels behind the group to support us, and participants can cycle as much or as little as they like and still enjoy the same views as the rest of the group.

Day 1 Bangkok - Kanchanaburi - Death Railway - Kwai Noi

We head west out of Bangkok and visit historical sights in Kanchanaburi - the War Museum, the War Cemetery and the famous bridge. We then board the local train for a stunning ride on the Death Railway. After lunch and a visit to Krasae caves we start biking along some great trails, passing by some teak plantations and small Thai villages, on our way to Prasat Mueang Sing. This historical site covering some 74 hectares is believed to have been used by the Khmer Empire as a trading point along the Kwai Noi River. We ride around the park and visit the museum before packing up the bikes and driving the short way to our riverside hotel.

Day 2 Ban Kow - River Kwai Noi

Today we'll spend most of the day on the bike as we cycle at a leisurely pace along some great trails. This ride is filled with a vast array of colours as we have the red laterite trails, the greens of the jungle and of course the blue skies. This trail has some stunning views of the valleys that surround this area and we ride through some great jungle and farmland. The cycling is a little more challenging than the previous day's ride with some undulating terrain and a gentle climb of about 2 km (but can be avoided). This ride gives us a great chance to see the rolling hills that separate Burma from Thailand. We arrive at our riverside hotel by late afternoon and can choose to relax by the pool, or arrange to have a massage or take a boat trip to visit a Mon village.

Day 3 Kwai Noi - Hellfire Pass - Bangkok

The ride today is a bit more challenging. Although the ride is mainly downhill there are a few small uphill but nothing too strenuous. The main downhill needs to be taken with some caution as it is partly off-road and a little bit steep. The reward is to do some riding on the trail through primary jungle and follow a small river which meanders down to the river Kwai Noi and makes for a stunning ride. Once we have completed the ride we take a short hop across the river to visit Hellfire Pass, the name given to the 1000m of mountain cut through rock and soil with only the most rudimentary implements by prisoners of war. We also have a chance to visit the museum before a local lunch. After lunch we return to Bangkok and drop you off at your hotel.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Bike hire is included in the tour. The bikes are well-known makes of hybrid or mountain bikes (depending on the tour) with lightweight alloy frames, 24- to 27-speed gearing, v-brakes and Shimano components and front suspension.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

All nationalities require a passport for entry into Thailand. Please ensure your passport is valid for at least 6 months beyond the duration of your stay in the country. If staying less than 30 days then a visa in advance is not required by European, North American, Australian and many other nationalities. Please check this [page](#) to see if you qualify. You will need to show proof of an onward flight out of Thailand to be eligible for the visa on arrival. This is strictly enforced.

Health

We recommend that you visit a travel medical doctor and ask about the following vaccinations: typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days.

Weather

Thailand generally has a tropical climate with fairly high humidity. The North and Central region have a tropical climate with fairly high humidity. Northeast Thailand has a humid hot and dry weather alternatively with medium rain while the coastal areas of the east is humid and hot with intermittent rain. The South of Thailand has a tropical climate with fairly high humidity.

There are three seasons: from March to June it is hot and dry, with temperatures between 27°C/80 F and 40°C/104 F, with night temperatures in the 20s. The rainy season is from July to October, but temperatures are slightly lower, because of the effect of the rain. During this time it will not rain continuously, but in sharp bursts, and the sun can come out quickly. The cooler season is from October to February, with average temperatures between 20°C/68 F and 30°C/86 F.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we cannot match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$20 per day, for incidentals.

Money

The Thai currency is the baht. ATMs, which are abundant, are the easiest ways to get Thai baht. Have a supply of US dollars in cash on hand, just in case your card doesn't work. Banks or the rarer private moneychangers offer the best foreign-exchange rates. Credit cards are accepted in big cities and resort hotels but you'll need baht for family-run guesthouses or restaurants.
