TRIP PROFILE

We ride a total of 38 km over two days on paved roads that are in good condition and on dirt tracks. There are a some ups and downs, but generally the riding is relatively undemanding and requires no technical ability.

This tour has been designed for the discerning traveler; someone that enjoys the countryside, likes to ride a bike and has a penchant for good wine and good food. It is also an excellent escape for families as all the vineyards also sell grape juice!

Suitability: This tour is suitable for all level of riders and is a popular choice for families. The trip is fully supported and your guide's expert knowledge of the area and terrain means that you always know what is coming up in terms of distance and difficulty. This makes a tremendous difference, as does the constant supply of cold drinks and fresh fruit while riding.

Biking Conditions: This trip is a mixture of hard-packed jeep trails and tarmac. An air-conditioned bus travels behind the group to support us, and participants can cycle as much or as little as they like and still enjoy the same views as the rest of the group.

Day 1 Bangkok - Asoke Valley

Starting in Bangkok we drive north for two hours and arrive at Bonya Lit Temple. Here we'll get on our bikes and start riding on a quiet country road. The road is a mixture of dirt and asphalt with lots of potholes as the road winds and undulates through small dairies, tamarind orchards and even a sheep farm. After 6 km we'll turn off onto a shaded gravel road that skirts a pond and will leads us to a dirt road. Here we'll be without vehicle support for 4 km as we ride through mango orchards and fields of sugar cane. After a rest stop by a lake we'll ride on to Khao Yai Winery and lunch at the Hornbill Restaurant complemented by a glass of wine. We'll then take a tour of the vineyard and taste some Thai wine. We then have just 4 more kilometres to cycle to our resort. The pool has a wonderful view and it's a great way to cool down after a day of cycling.

Day 2 Asoke Valley - Bangkok

After breakfast we have a short transfer to our start point. Today you will be climbing a bit on the bike as well as off the bike! We start by cycling on yet another very quiet road, passing tapioca fields and a rock quarry. Your climbing will be rewarded by a long downhill to Wat Tam Tien. Here you can climb the 145 stairs up to a cave. After a look around it's time to get back on the bikes and we ride through sugar cane fields, passing a Chinese meditation centre with three distinctive statues. Then it's just a few more turns of the pedals to the Prapatsorn Grape Farm. Here you can taste their local grapes and if you have a sweet tooth the candies they make from them. You'll have a perfect view of the White Buddha on the hill. He's sitting 112 metres above ground level on the hilltop and is made entirely from concrete. If you are up for the challenge a walkway with 1,250 steps leads to the base of the statue and the views are well worth the effort. After all that climbing a hearty lunch is in order. Sated with our thorough ride through Asoke Valley it's time to head back to Bangkok. **Khao Yai Winery:** Set on a valley plain 300m above sea level close to Khao Yai National Park. Khao Yai Winery claims to be the birthplace of Khao Yai wine. The 800-acre plantation includes 200 acres of good quality grapes and a 3,000 square-meter factory including a fermentation room housing French-made 225litre oak barrels with the capacity to mature 450,000 litres of wine, or 600,000 bottles a year. A cellar door is available and any wine you want to buy will be packed for safe transfer back to the hotel. _Those considering this tour as a private trip might like to consider upgrading the accommodation to the nearby five-star **Kirimaya Resort & Spa**._

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Bike hire is included in the tour. The bikes are well-known makes of hybrid or mountain bikes (depending on the tour) with lightweight alloy frames, 24- to 27-speed gearing, v-brakes and Shimano components and front suspension. Child bikes, tag-along bikes and rear child seats are available.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

All nationalities require a passport for entry into Thailand. Please ensure your passport is valid for at least 6 months beyond the duration of your stay in the country. If staying less than 30 days then a visa in advance is not required by European, North American, Australian and many other nationalities. Please check this [page](#) to see if you qualify. You will need to show proof of an onward flight out of Thailand to be eligible for the visa on arrival. This is strictly enforced.

Health

We recommend that you visit a travel medical doctor and ask about the following vaccinations: typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days.

Weather

Thailand generally has a tropical climate with fairly high humidity. The North and Central region have a tropical climate with fairly high humidity. Northeast Thailand has a humid hot and dry weather alternatively with medium rain while the coastal areas of the east is humid and hot with intermittent rain. The South of Thailand has a tropical climate with fairly high humidity.

There are three seasons: from March to June it is hot and dry, with temperatures between 27°C/80 F and 40°C/104 F, with night temperatures in the 20s. The rainy season is from July to October, but temperatures are slightly lower, because of the effect of the rain. During this time it will not rain continuously, but in sharp bursts, and the sun can come out quickly. The cooler

season is from October to February, with average temperatures between 20°C/68 F and 30°C/86 F.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we cannot match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$20 per day, for incidentals.

Money

The Thai currency is the baht. ATMs, which are abundant, are the easiest ways to get Thai baht. Have a supply of US dollars in cash on hand, just in case your card doesn't work. Banks or the rarer private moneychangers offer the best foreign-exchange rates. Credit cards are accepted in big cities and resort hotels but you'll need baht for family-run guesthouses or restaurants.
