TRIP PROFILE

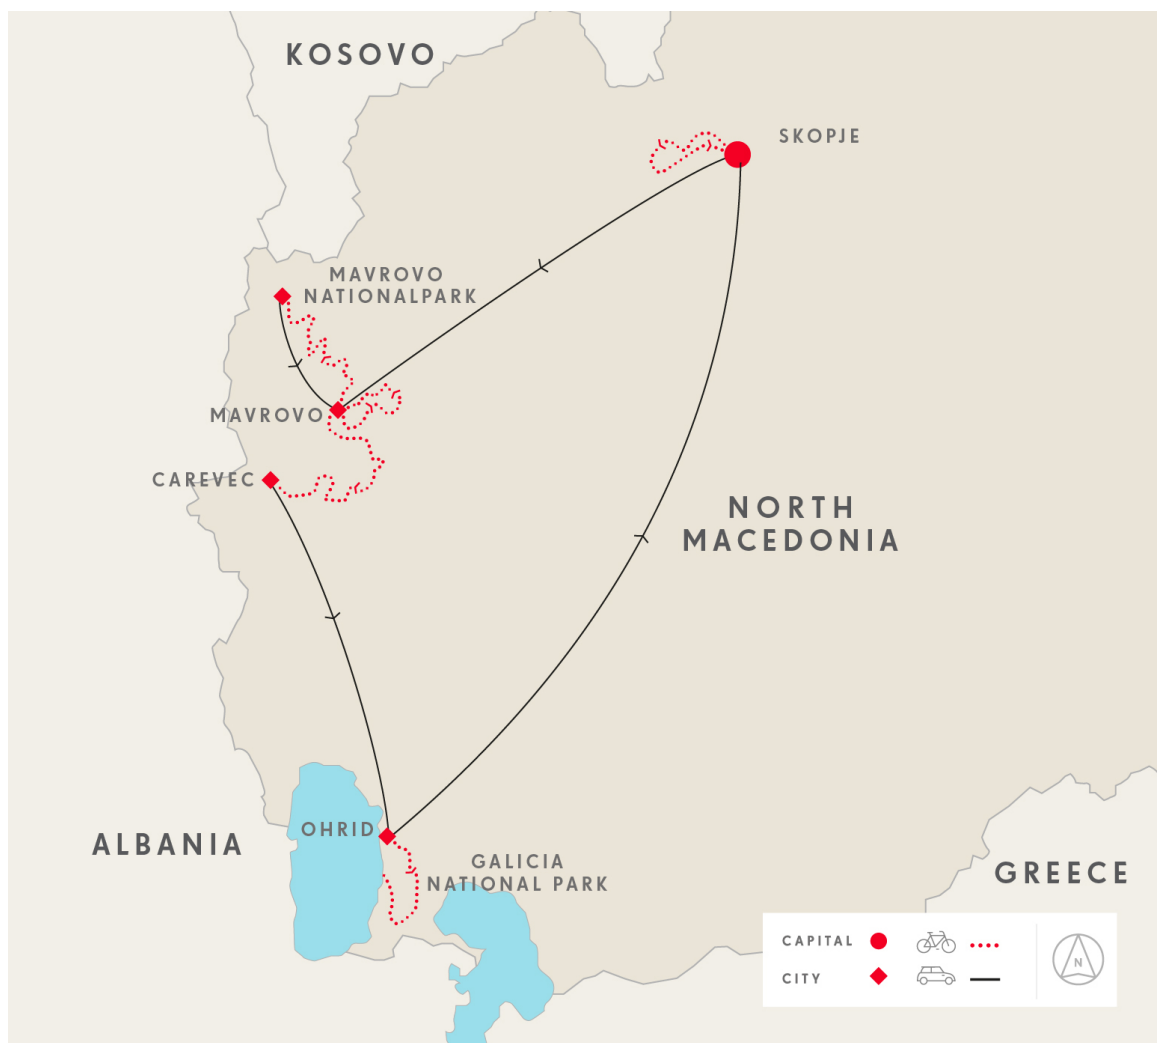

This is a challenging mountain biking tour and is for those who want to test their climbing stamina. We ride a total of 227 km and ascend 4200 m in just 6 cycling days! We ride primarily on dirt and gravel roads, as well as some single-track trails and a few sections of paved roads.

Though the daily distances aren't long, the terrain and altitude will provide the challenge. We will be riding at 2,000 m at times, making sure your lungs get a full work out.

On this trip, we will be soaking up the natural highlights of North Macedonia's mountains and lakes, which means we'll be riding in remote areas where vehicles can't always follow.

Suitability: This trip is for those who are fit and have the stamina and endurance for sustained climbing. On some days, we'll have the option to shorten the riding distance and ascent if the terrain proves to be too much. The guide will offer this option during the tour.

Biking Conditions: This tour follows a mixture of dirt roads, single-track trails, and gravel paths, as well as sections of tarmac. Off-road riding experience is required, though there will be no tricky technical sections. As in any mountainous region, the weather can also be unpredictable, so please be prepared for quickly changing conditions. A support vehicle will not be following us on all our rides. Some days we will meet up at points during the day, other days we will only see the support vehicle at the beginning and end of the day.

Day 1: Tour of Skopje

Meet your guide at your hotel in Skopje and take a walking tour of the historic city centre, including the Old Bazaar and the Skopje Fortress. Returning to the hotel, we will have time to freshen up before meeting for dinner and a full tour briefing in a local restaurant here in the heart of the city.

Day 2: Mavrovo National Park

We're ready for our first challenge, as we depart Skopkje by transfer and cycle through the stunning Mavrovo National Park, home to North Macedonia's highest peak, Mt. Korab (2,764 m). An ever-changing combination of asphalt, compact gravel, and dirt roads leads us through this fairy tale scenery of grassy meadows, birch and pine forests, snow-capped peaks, and the gorgeous Radika River. After a traditional lunch, we return to our hotel to relax.

Day 3: Bistra Mountains Loop Ride

Biking into the Bistra Mountains takes us alongside the emerald green Mavrovo Lake, with visits to the villages of Nikiforovo and Leunovo. We continue off-road riding through green pastures dotted with ancient sheepfolds. We stop in one of those sheepfolds to try fresh cheese and pavlaka. We take a break at Galicnik to admire the well-preserved traditional architecture, including an amphitheatre. Today's ride is a loop, and some extra cycling can be added if you like.. After circling back to our hotel, we can enjoy a little relaxation time, or head out on a walking tour of local historic sites before dinner.

Day 4: Carevec - Tresonche - Debar - Ohrid

This morning, we check out of our hotel and take a short transfer to the village of Carevec. Passing across hilltops with great views across the landscape, enjoy a long descent through beech and oak forests to remote villages like Lazaropole and Tresonche, where the way of life has changed remarkably little since the 19th century. We continue along the Tresonchka River to Debar Lake, where we are picked up and transferred to our hotel in Ohrid.

We take a well-earned day in the picturesque and relaxing setting of Ohrid. Notable for once having 365 churches, one for each day of the year, Ohrid is a UNESCO World Heritage Site, listed for both its cultural and natural attractions. In the morning, we tour the highlights of St. Sofia Church, Plaoshnik Complex, the Amphitheatre, and Tsar Samuel's Fortress. The afternoon is free to stroll through the alleys, swim in the lake, or just sit in a cafe and soak up the pure, unique delights of this rich, ancient town.

Day 6: Galicica National Park – Skopje

Refreshed from a day's rest, we return with our bikes to the mountains. Tackling the grand Galicica Mountain, we cycle through beautiful pastures and the bright floral life native to these slopes, as we ride under the shadow of Magaro Peak (2255 m). We stop for photos as we will have stunning views of Lake Ohrid and Lake Prespa. Then, as we begin our descent, we will enjoy a mix of off-road and backroad biking with some sweet single tracks. From Peshtani, we drive to the picturesque fishing village of Trpejca for lunch and try the famous Ohrid trout. In the afternoon, transfer back to Skopje.

We then hit single-track trails and a short ride on a quiet road to Matka Canyon, a popular outdoor destination for hikers and kayakers. The canyon is also home to several historic churches and monasteries. We stop for a visit to the 14th century monastery of St Andreja built by the son of the famous medieval King Volkashin. After lunch, we transfer back to Skopje and meet in the evening for a farewell dinner in Debar Maalo- the city's bohemian quarter.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Because some people can't imagine going on a trip without their own beloved bicycle, we do not provide them as part of this tour. However, you can hire bikes locally for the price listed in the tour pricing section.

If you bring your own bike, please make sure it is a mountain bike, preferably with front suspension in good mechanical order.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

North Macedonia is not a member of the Schengen Area, though it maintains a liberal entry policy. Citizens of the UK, US, Canada, Australia, and New Zealand do not require a visa for short-term tourism and are permitted to stay for up to 90 days within any 180-day period. While the ETIAS system is required for entry into the neighbouring Schengen zone, it is not currently a requirement for entry into North Macedonia. Please ensure your passport is valid for at least three months beyond your intended date of departure.

Health & Insurance

No specific vaccinations are mandatory for entry, but it is advisable to be current on standard boosters such as Tetanus and Hepatitis A/B. Comprehensive travel insurance is essential and must specifically cover cycling activities and medical evacuation. While medical facilities in Skopje are modern, infrastructure in the high mountain regions of Mavrovo is more limited. We recommend drinking bottled or filtered water in rural areas.

Weather

The prime window for cycling in North Macedonia is from May to June and September to October.

- **The Best Window:** Late spring and early autumn offer mild temperatures and exceptional visibility in the mountains, typically ranging between 18°C and 26°C.

- **Summer Heat:** In July and August, temperatures in the valleys and in Skopje can exceed 35°C. During this time, the high-altitude routes in the national parks provide a cooler and more comfortable environment for riding.
- **Mountain Shifts:** Weather at altitude can change rapidly. We recommend carrying a high-quality waterproof shell and a warm mid-layer for long mountain descents.

Food

Macedonian cuisine is a hearty and flavourful blend of Mediterranean and Balkan influences. You must try the national dish, **Tavče Gravče** (fresh beans baked in a traditional earthenware pot). Another staple is **Ajvar**, a delicious savoury spread made from roasted red peppers and aubergine. In the Ohrid region, the local trout is a delicacy. Most meals are served family-style with fresh local breads and sheep's milk cheeses. We cater to all dietary needs; please notify us of any requirements at the time of booking.

Drink

Coffee culture is a fundamental part of the Macedonian social fabric, with strong Turkish-style coffee served in every village and town. Hydration is key during the long mountain climbs, and we provide ample water and snacks during every ride. North Macedonia has an ancient winemaking tradition, particularly known for its robust red wines made from the local **Vranec** grape. For a traditional post-ride digestif, try a small glass of **Rakija** (fruit brandy). Please note that alcohol during meals is not included in the tour price.

Solo Travellers

SpiceRoads welcomes solo adventurers and does not charge a mandatory single supplement. We will arrange for you to share a room with another traveller of the same gender. If no match is available, you will receive a single room at no additional cost. If you prefer to guarantee your own private room for the duration of the trip, a single supplement is available at the rate listed in the tour pricing.

Extra Expenses

North Macedonia remains one of the most affordable destinations in Europe. You should budget for personal incidentals such as traditional copperware from the Old Bazaar in Skopje, local honey, or visits to historic monasteries. Tipping is not mandatory but is a common gesture of appreciation for excellent service in restaurants and for your support crew.

Money

The currency is the **Macedonian Denar (MKD)**.

- **Card Acceptance:** Credit and debit cards are accepted in major hotels and restaurants in Skopje and Ohrid.
- **ATMs:** Cash machines are available in larger towns and accept most international cards.
- **Cash-Heavy Society:** Outside of the main urban centres, North Macedonia remains largely cash-based. It is essential to carry Denars for use in small village shops, rural guesthouses, and for small purchases at local markets.
