TRIP PROFILE

This multi-stage race takes place over 4 days, with each stage featuring a different style of race. Stage 1 is a 68 kilometer road race in the hills just east of the city of Chiang Mai. Stage 2, a 40 kilometer circuit race on a closed, 5 kilometer track. Stage 3, a 74 kilometer KOM ride through "Samoeng," famous among the region's cyclists. And a final stage, an 11 kilometer classic climb up Doi Suthep.

Roads are paved and in good condition, but expect the odd rough section to watch out for. The race is fully supported, with medics and support crews on hand at every stage.

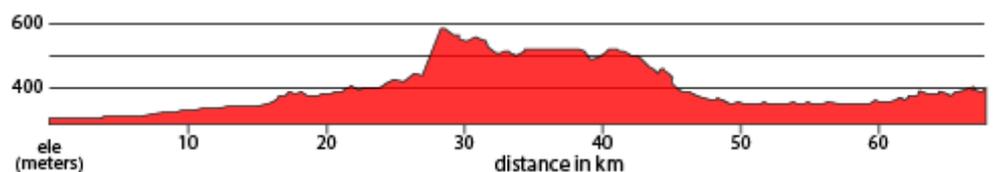

Day 1 Arrival

Our Team will collect you from Chiang Mai International Airport and transfer you to our base for the duration of the race, Kantary Hills Hotel in the Nimman District. Your afternoon is free to explore the surrounding area or relax at the hotel, before meeting up for a bike fitting in the late afternoon. In the evening, we'll gather for a welcome dinner and race briefing.

Day 2 Road Race

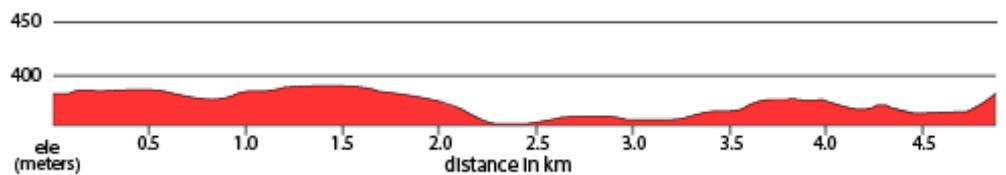

The race begins! After breakfast, we'll transfer to the start of the route for Stage 1, the Road Race, set in the beautiful hills of Eastern Chiang Mai. It's a 70 kilometer race with 590 m of elevation gain. A relatively flat start quickly builds up to the KOM at kilometer 27, with an incredibly steep, 1.3km climb to the top. From there, it's all rolling hills, followed by a flat sprint finish. After a successful first stage, Team SpiceRoads will head out for a hearty lunch to refuel, before heading back to the hotel. Rest, relax, have a massager, before meeting up with the Team for dinner in the evening.

Day 3 Circuit Race

After breakfast, we head to the start of Stage 2- a 5 kilometer closed circuit in the Northern suburbs of Chiang Mai. Riders will complete 8 laps of the 5 kilometer, 60 meter climb circuit, with a KOM in lap 4. Climbs, descents, and corners are all fast, adding technical challenge to test riders of all abilities. Today's stage is a great addition to the race, with a lively atmosphere. The ride will be fast, fun, and a little bit addictive! After all Team SpiceRoads riders have completed their laps, we'll head back to Chiang Mai to the hotel to relax and relish the feeling of another successful stage on the books! Dinner is at your leisure, and nearby Nimman is brimming with options, both International and Thai.

Day 4 Climbers Stage

No tour of Chiang Mai would be complete without a ride up the switchbacks of Samoeng. This stage is a true climber's stage, with short and steep climbs over the course of 71 kilometers, and a final, punishing KOM to the finishing line. After the stage finish, our crew will transport you back to the hotel where you can relax, enjoy a massage, or take a stroll through nearby Nimman District. Dinner is at your leisure, but we are happy to provide recommendations or make reservations for you.

Day 5 Doi Suthep Uphill TT

The final stage of this year's race, Chiang Mai's famous climb up the mountain of Doi Suthep. It's 11 kilometers of all-out effort up the slopes that tower over the city. After the finish line, the trophy ceremony is just 1 kilometers back down at a scenic viewpoint. The afternoon is free to relax and rest- you earned it! Have another massage, enjoy lunch at one of the many nearby restaurants, or lounge by the pool. In the evening, we'll regroup for a celebratory farewell dinner.

Day 6 Departure

It's time to bid goodbye to the Team and Crew! After breakfast, the crew will transfer riders to Chiang Mai International Airport for onward travel.

 Breakfast

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Serious cyclists wouldn't dream of racing without their own, precisely calibrated machine. For those that prefer not to travel with their own bike, we provide top of the line Trek carbon bikes for hire for this event. Our Trek Emonda S5 carbon bikes are equipped with one of the lightest frames on the market, 11-speed Shimano gearing, and disc brakes.

For those bringing their own machines, we recommend getting a pre-race tune-up to make sure everything is in working mechanical order before the big day.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

All nationalities require a passport for entry into Thailand. Please ensure your passport is valid for at least 6 months beyond the duration of your stay in the country. If staying less than 30 days then a visa in advance is not required by European, North American, Australian and many other nationalities. Please check this [page](#) to see if you qualify. You will need to show proof of an onward flight out of Thailand to be eligible for the visa on arrival. This is strictly enforced.

Health

We recommend that you visit a travel medical doctor and ask about the following vaccinations: typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days.

Weather

Thailand generally has a tropical climate with fairly high humidity. The North and Central region have a tropical climate with fairly high humidity. Northeast Thailand has a humid hot and dry weather alternatively with medium rain while the coastal areas of the east is humid and hot with intermittent rain. The South of Thailand has a tropical climate with fairly high humidity.

There are three seasons: from March to June it is hot and dry, with temperatures between 27°C/80 F and 40°C/104 F, with night temperatures in the 20s. The rainy season is from July to October, but temperatures are slightly lower, because of the effect of the rain. During this time it will not rain continuously, but in sharp bursts, and the sun can come out quickly. The cooler season is from October to February, with average temperatures between 20°C/68 F and 30°C/86 F.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we cannot match you up we will provide a single room at no extra charge. If you prefer not to share a single

supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$20 per day, for incidentals.

Money

The Thai currency is the baht. ATMs, which are abundant, are the easiest ways to get Thai baht. Have a supply of US dollars in cash on hand, just in case your card doesn't work. Banks or the rarer private moneychangers offer the best foreign-exchange rates. Credit cards are accepted in big cities and resort hotels but you'll need baht for family-run guesthouses or restaurants.
