TRIP PROFILE

We ride a total of 358 km in 6 days of cycling. Most of our tour is on tarmac, but there are stretches on former Austro-Hungarian military trails which can be rocky. The terrain is mountainous, so we will be climbing and having thrilling descents every day. The distances aren't long, but the days will be full. On this trip there is a lot to see along the way.

Suitability: This trip is suitable for anyone with a reasonable level of fitness and some off-road riding experience. This trip is not too arduous, and so riders with less experience are more than welcome, although the fitter you are, the more you will enjoy it.

Biking Conditions: This trip includes ascending every day. On a few sections, there will be minimal vehicle support, but we will be met by a vehicle at meeting points when possible.

Day 1: Dubrovnik Airport – Cetinje

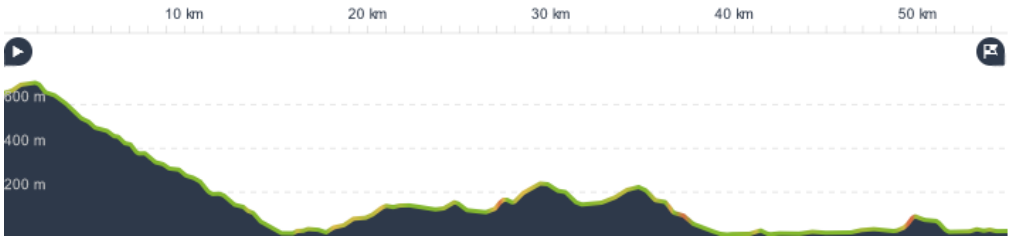
Arrival and transfer to the old royal capital of Montenegro, Cetinje. After an introduction to the tour and adjusting your bikes, you have time to stroll around town, before a welcome dinner.

Cetinje Pension Dinner

Day 2: Lake Skadar – Virpazar

We have a beautiful cycling route to the biggest lake of the Balkans, Lake Skadar, one of Europe's best bird watching sites. Have a rest in Rijeka Crnojevica before you continue to the fishing village of Virpazar, another stunning Montenegrin jewel with a population under 400. We also ride through Crmnica, the most valuable wine region in Montenegro.

Pension Virpazar Breakfast, Lunch, Dinner



Ride 55km +630m -1250m

Day 3: Lake Skadar – Ulcinj

We cycle along the shoreline of Lake Skadar. We have views of monastery islands, fishing villages, and chestnut groves, and all the time, you have great views of the lake and the Albanian Alps. A final descent takes you to the city of Ulcinj, one of the oldest settlements on the Adriatic coast, dating from the 5th century BC. The old town castle was built by the Illyrians and Ancient Greeks.

Ulcinj Hotel Breakfast, Lunch, Dinner

Ride 73km +1460m -1440m

Day 4: Ulcinj - Old Bar – Budva

We cycle south from Ulcinj to the coastal town of Old Bar. In the first section of today's ride, we pass the resort town of Donji Stolj and continue cycling next to salt flats. Just before Old Bar, olive groves line our path, and we stop to visit the Old Olive of Mirovica, said to be one of the oldest olive trees in the world. We have free time in Old Bar to wander around the alleys and discover the various historic buildings before we transfer to Budva, an incredibly picturesque and vibrant coastal town.

Hotel Mogren Breakfast, Lunch, Dinner

Day 5: Cetinje – Kotor

We have a transfer uphill to Cetinje to start our ride along the old road towards Lovcen National Park. From Ivanova Korita, we ride along an old wagon trail to the foot of Jezerski Vrh and over the Trešnja Saddle to visit the old spring in Sanik. Our route descends towards Bukovica, where we grab some refreshment at Kod Pera, a café that has been open every day for more than 100 years. We explore another military road around the Bogojeva Glava mountain, before our pleasant downhill to Njegusi. It's one last short climb to the mountain pass of Krstac, before we

ride down the well-known Lovcen Road to the Old Town of Kotor, a UNESCO World Heritage Site. Kotor is well-known for its stunning architecture and beautiful setting in a secluded part of the Boka Kotorska Bay. Stari Grad (Old Town) is a labyrinth of cobbled lanes linking small squares containing ancient churches and old aristocratic mansions.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Because some people can't imagine going on a trip without their own beloved bicycle, we do not provide them as part of this tour. However, you can hire bikes locally for the price listed in the tour pricing section.

If you bring your own bike, please make sure it is a in good mechanical order.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

Montenegro is not a member of the European Union or the Schengen Area, but it maintains a liberal entry policy. Citizens of the UK, US, Canada, Australia, and New Zealand do not require a visa for tourism and are permitted to stay for up to 90 days. If you are entering Montenegro from a neighbouring Schengen country like Croatia, please be aware that you will pass through a full border control. The Entry/Exit System (EES) is operational at these borders, involving a biometric registration of facial images and fingerprints. Please ensure your passport is valid for at least three months beyond your intended date of departure.

Health & Insurance

No specific vaccinations are mandatory for entry. It is advisable to be current on standard boosters such as Tetanus and Hepatitis A/B. Comprehensive travel insurance is essential and must specifically cover cycling activities and medical evacuation, particularly given the remote nature of the Durmitor and Lovćen mountain regions. While coastal towns have good medical facilities, infrastructure in the high-altitude interior is more basic.

Weather

The prime window for cycling in Montenegro is from May to June and September to October.

- **The Best Window:** Late spring and early autumn offer mild temperatures and clear visibility in the mountains, typically ranging between 18°C and 25°C.
- **Summer Extremes:** In July and August, the coast can be exceptionally hot, with temperatures often exceeding 35°C, while the high mountains remain significantly cooler.
- **Mountain Shifts:** Weather in the highlands can change rapidly. We recommend carrying a high-quality waterproof shell and a warm mid-layer for long descents from the karst plateaus.

Food

Montenegrin cuisine is a hearty reflection of its rugged landscape. In the mountains, you should try **Njeguški pršut** (dry-cured ham) and **Kačamak** (a rich porridge made of potatoes and cornmeal with local cheese). Along the coast, the focus shifts to fresh Adriatic seafood and olive-oil based Mediterranean dishes. Most meals are served family-style with fresh, crusty bread and robust local cheeses. We cater to all dietary needs; please notify us of any requirements at the time of booking.

Drink

Hydration is vital on the long climbs out of the Bay of Kotor, and we provide ample water and snacks during every ride. Montenegro has a proud winemaking tradition, most notably the dark and powerful **Vranac** red wine. For a local post-ride digestif, try a small glass of **Loza** (grape brandy). Tap water is generally safe to drink in urban areas and mountain springs, though we provide filtered water throughout the tour. Please note that alcohol during meals is not included in the tour price.

Solo Travellers

SpiceRoads does not charge a mandatory single supplement for solo adventurers. We will arrange for you to share a room with another traveller of the same gender in twin-share accommodation. If no match is available, you will receive a single room at no additional cost. If you prefer to guarantee your own private room for the duration of the trip, a single supplement is available at the rate listed in the tour pricing.

Extra Expenses

Montenegro offers excellent value, though prices in the Bay of Kotor and Budva are significantly higher than in the mountain interior. You should budget for personal incidentals such as café stops, local olive oil, or entrance fees to national parks. Tipping is not mandatory but is a common gesture of appreciation for excellent service in restaurants and for your support crew.

Money

Surprisingly, the official currency of Montenegro is the **Euro (€)**, even though the country is not a member of the Eurozone.

- **Card Acceptance:** Credit and debit cards are accepted in major hotels, restaurants, and shops in coastal areas.
- **ATMs:** Cash machines are available in all towns and major tourist hubs.
- **Cash for the Interior:** In the mountain regions and smaller villages, Montenegro remains a cash-heavy society. It is essential to carry Euro notes for use in small tavernas, rural guesthouses, and for small purchases at local markets.
