DEPARTURES

There are no scheduled departures for this trip at the moment. Please contact us to arrange a private departure.

TRIP PROFILE

We ride a total of 162 kilometres through spectacular limestone mountain scenery, bright green rice fields, and charming villages. The roads are a mixture of good asphalt, small rural trails, and dirt roads— all perfect for a family of cyclists. Each day there will be additional activities to learn about Vietnam, immersing yourself hands on in the culture. A highlight will be an afternoon with monkeys, gibbons, civets, and pangolins! The first two nights we stay in a village at a homestay. We sleep in a stilt bamboo house in an open dormitory-style room with shared facilities. There is the option to upgrade to a hotel with a pool. Please contact us for the cost.

Suitability: This trip is designed and suitable for families with children of any age. We have included many activities for an action-packed holiday. The tour is suitable for anyone with minimal biking experience and wants to discover Vietnam's rich history and culture by bicycle.

Biking Conditions: You can expect a gentle ride each day. The cycling is leisurely with plenty of stops to rest or take photos. We cycle on a variety of terrain, from tarmac to concrete paths to dirt roads. There are a few small hills, but there will always be the option to jump in the support vehicle. Cycle as much or as little as you like.

Day 1: Hanoi - Mai Chau

Our guide will pick you up at your Hanoi hotel to start our 4 hour drive to Mai Chau, a rural town southeast of Hanoi where we start our family bike tour. The scenery is dotted with limestone karsts and ethnic highlanders of White Thai, Hmong, and Zao living in the small villages that we pass along the way. We stop at the top of a pass for a panoramic view of stunning Mai Chau Valley so you can get an overview of where we will be cycling.

We check into our lodging, have lunch, and then it's time to start our bike trip pedaling on small paths, past green rice paddies and local stilt houses, and of course meeting friendly local villagers along the way. Taking a break at Hoa Ban Plus, a weaving centre and living complex for disabled women, gives us a chance to see the traditional handicraft of weaving in action, and we can even give it a try. You'll leave with a new appreciation for fabric after seeing how complicated it is to make.

Tonight, we stay in the lively town of Mai Chau.

Day 2: Mai Chau - Buoc Village

After breakfast, we ride up to the hills along a dirt road frequently used by local villagers. As we climb, the valley views open up to boundless, spectacular scenery. A steep 2 km climb is rewarded with a 10 km downhill through rustic villages and lush terrain to the White Thai village of Buoc. We can take a short walk around and learn about local village life, visit a few households, and see where families cook and sleep. We help with preparing lunch by making "Com Lam", traditional sticky rice in bamboo. After these local delights, we enjoy an afternoon of cycling, swimming or the many other activities in this beautiful valley.

Day 3: Mai Chau - Cuc Phuong National Park

We drive 90 minutes drive to Cho Lo where we then get on the bikes. A flat bike ride on country roads follows where we'll have to watch out for chickens crossing the road and give right of way to water buffaloes! For lunch, a bowl of Pho, an authentic Vietnamese noodle soup, will hydrate and fill us. Be sure to add in the greens, herbs, spicy pastes, and a squeeze of lime to make the soup taste to your liking. A short transfer takes us uphill to Cuc Phuong National Park in Ninh Binh Province, the oldest national park in Vietnam and its most significant biodiversity site. Then it's time to get wild!

A guided tour of a rescue centre where monkeys and gibbons are being rehabilitated to return to the jungle will show you how many species there are in the jungle. After seeing the antics of the monkeys it's a short walk to the Carnivore and Pangolin Education Centre, where we'll learn about and see civets and the unusual pangolin with their protective armour of scales and long tongues for capturing ants and termites. The rescued animals are in well-designed, spacious enclosures, and the centre offers interactive displays to understand the threats to wildlife and learn about conservation. A fun and educational afternoon with wildlife!

Day 4: Cuc Phuong National Park - Tam Coc

A feast for the senses today, from the sight of the towering karsts to the sound of the river to the taste of our self-cooked dinner. Cycling from our guesthouse, we go downhill before riding along a dyke that provides a flat and safe ride, to the town of Hoa Lu. An ancient capital of the Dinh and Le Dynasties, we step back in time and visit a 17th century temple built in the shape of a Chinese character.

After lunch, we change from bikes to boats and relax and enjoy the amazing mountains that dominate most of the region. We are rowed through a cave by local sampan rowers who use their feet to oar and enter a green and fertile land. Back on land, we head to our resort amidst rice fields. Another hands on meal as we assist in the preparation, learning the best technique to roll fresh spring rolls, and then feast on our creations.

Day 5: Tam Coc - Bat Trang - Hanoi

A change of pace as we get our hands dirty! Cycling away from the karsts, we follow numerous rivers as they reach toward the coast. The scenery changes to flat plains as we cycle into the delta, a guaranteed flat ride. We take a break at Phat Diem Stone Cathedral, which has a unique blend of eastern and western architecture illustrated by its pagoda-styled roofs. We transfer to Quang Phu, a village where the main industry is incense production. Make your own incense sticks, which are very important to daily life in Vietnam!

Then it's time to head back to Hanoi for your onward travel. Those looking to extend their trip in Vietnam can head to the beautiful beaches at Nha Trang, discover the Cu Chi Tunnels bordering Ho Chi Minh City, or explore one of the many neighboring countries in Southeast Asia.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Bike hire is included in the tour. Child bikes and tag-along bikes (for ages 5-11, max. weight: 38 kg/85 lb) are available. Adults must be experienced riders to pull a tag-along and preferably have experience with tag-alongs. The bikes are well-known makes of hybrid or mountain bikes (depending on the tour) with lightweight alloy frames, 24- to 27-speed gearing, v-brakes, and Shimano components and front suspension.

We also have E-Bikes available for hire, but they are limited in number & size - please send an email to us to check on availability.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

The visa requirements for Vietnam can be divided into three sections, dependent on your nationality and the point of entry/exit. Please review the details below to determine which applies to you. Visa policies are subject to change, and it is the traveler's responsibility to confirm their visa requirements for Vietnam before departure.

E-Visa

The Vietnam e-visa is now available to almost all nationalities. You can apply for a single or multiple-entry visa valid for up to 90 days. Application is through the Vietnam [visa portal](#). Please note that e-visas cannot be used if you are joining [Road Biking from Saigon to Angkor](#) (more information in the **Visa on Arrival** section below).

Please carefully fill out the form and check the information you have entered. Even minor spelling errors will render the visa invalid and your entry to Vietnam will be denied.

For peace of mind, we suggest applying for your e-visa as early as possible, and no later than 2 weeks before your expected arrival in Vietnam. While processing time is generally no more than 1-3 working days (not including weekends and Vietnamese holidays), it is wise to give yourself some buffer time in case there are any issues.

If you are joining a multi-country trip beginning in Vietnam, please be sure to select the correct exit point from the list below:

- [Saigon to Bangkok by Bicycle](#) and [Biking Saigon to Angkor Wat](#): Vinh Xuong Landport
- [Remote Vietnam and Laos by Bike](#): Na Meo Landport
- [Biking Hanoi to Luang Prabang](#): Tay Trang Landport
- [Cultural Road from Hoi An to Angkor Wat](#): Le Thanh International Border Gate

If your SpiceRoads trip will end in Vietnam, please choose your point of exit as the airport, port or land border through which you have arranged to leave Vietnam.

Please keep a printed copy of your e-visa with you at all times, as it may be requested at some exit points.

Visa Exemption

Citizens of certain countries (including many European and Asian nations) can enter Vietnam visa-free for up to 45 days. Please check if your nationality is exempt [here](#) before applying for an

e-visa. If you are on the exemption list, you still need to make sure that your passport is valid for at least 6 months from your date of entry and has at least two blank pages. You do not need to apply for anything in advance; you will simply receive an entry stamp at immigration upon arrival.

Visa on Arrival

If you are joining "Road Biking from Saigon to Angkor", **e-visas are not permitted for the exit through the land borders we cross during the tour.** Before the tour, our sales team will collect your passport and flight information from you, and we will provide you with the Visa on Arrival letter within 10 business days.

When you arrive in Vietnam, you will need to present the following at the Visa on Arrival counter:

- a printed copy of the Visa on Arrival letter, which we will have sent to you by email. You will also likely need this printed letter to check in and board your flight to Vietnam.
- the visa stamping fee (USD \$25 for a single-entry visa). Please prepare the visa fee amount in cash, using USD or the equivalent in Vietnam dong to avoid unfavourable airport exchange rates.
- two printed passport photos.

Your Visa on Arrival will be processed quickly, and you may then proceed to immigration to enter Vietnam.

Please ensure that you update our sales team if your passport or flight details change before the tour, as mismatched information will result in entry to Vietnam being denied. Changes to this information when a Visa on Arrival letter has already been issued will result in a charge for a new letter to be processed.

Important Update: Effective immediately, all non-Vietnamese nationals entering the country in Hanoi (Noi Bai International Airport - HAN), Danang (Danang International Airport - DAD), Ho Chi Minh City (Tan Son Nhat International Airport - SGN) and Phu Quoc (Phu Quoc International Airport - PQC), must complete the **Digital Pre-Arrival Declaration** form before arrival. Please fill out the details on the official website [here](#) **within three (3) days before your arrival in Vietnam.** This is a free process - beware of fake websites that charge a fee. If you are already travelling within the three days before your planned arrival in Vietnam, then we suggest completing the form while you are at a hotel with reliable Wi-Fi. It only takes a few minutes. After submission, you will receive a QR Code. Please save a screenshot of this code on your phone to present at immigration.

Health

See [here](#) for recommendations and detailed information.

Weather

Weather in Vietnam is divided into 4 main regions - the far north, north, central and south.

The far north can get very cold in December and January while the dry season runs from October to late March and the wet season between April to September.

In Hanoi & the north, it is hot, wet and humid from May to October while November to April is cooler and dry.

Central Vietnam experiences hot, dry weather between January & August with temperatures ranging in the mid 30°C. High levels of rainfall are during September - November.

Southern Vietnam is dry and hot from November to April, and warm and wet between May & October, with the highest rainfall in June, July & August.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are Vietnamese food and features noodles, rice curries and soups. Vietnamese cuisine is world famous and we make sure you sample as much variety as possible. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere in Vietnam but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$10, for incidentals. It is customary to tip local tour guides and drivers, however, the amount you give should be dependent on the level of service you receive. We will send you a tipping guideline before the tour begins.

Money

The official national currency is the Vietnam dong (d), but the US dollar is widely accepted in tourist centers. However, in smaller towns and villages the dong is preferred. ATMs are available in all major tourist destinations and big cities. Vietcombank has the best network with a single withdrawal limit of 2,000,000d (about US\$125). Most major currencies can be exchanged at leading banks in Vietnam, but the US dollar is preferred away from the tourist centers. Changing US\$100 will make you an instant millionaire! You cannot legally take the dong out of Vietnam but you can reconvert reasonable amounts of it into US dollars on departure.
