TRIP PROFILE

Suitability: The daily distances are not too long and the terrain is gentle so this trip is suitable for most people, but it's advisable to have a modicum of fitness to enjoy the riding!

Biking Conditions: This trip is a mixture of hard-packed dirt trails and tarmac. An air-conditioned bus travels behind the group to support us and participants can cycle as much or as little as they like and still enjoy the same views as the rest of the group.

Day 1 Ha Noi - Tam Coc

A day exploring the countryside and local artisans. We have a short transfer out of the city to avoid traffic and start with a lovely ride on a dyke along the Red River, a perfect quiet place to get used to cycling in Vietnam. Our first stop will be Bat Trang, known for handmade ceramics. The pottery is quite varied and interesting. We then cycle south into the heart of the delta passing through many traditional villages and rice fields. We will have a two hour transfer to lunch in Tam Coc. In the afternoon it's back on the bikes to ride a bit off road amongst karst cliffs to a small pier. We board a boat for a leisurely cruise on the Ngo Dong River, and float through three natural caves, the largest of which is 125 m long. Sit back, relax, see rural Vietnam from a different perspective and take in the dramatic limestone karst jutting out from the green rice fields. We disembark and cycle back through the karst cliffs to visit Thai Vi Temple, one of the oldest temples in Vietnam, built in the 13th Century.

Day 2 Tam Coc - Cuc Phuong

We start cycling from our hotel in Tam Coc for a flat ride to the town of Hoa Lu, the ancient capital of the Dinh and Ly dynasties. The route is stunning as you pass green rice fields amongst karst mountains. After a stop to visit Dinh Le Temple, built in the shape of a Chinese character in the 17th Century, we continue pedaling along the Hoang Long River through some impressive landscape. The first 35 kms are flat and then we'll have some small climbs up to the park, but they are all short. After the lunch at entry of national park, we continue cycling to the center of the park and then have the option to transfer or cycle the 20 kms back to our overnight accommodation in the park.

Day 3 Cuc Phuong - Ha Noi

This morning you will have the opportunity to explore Vietnam's first national park and hopefully sight one of the 97 species of mammals said to inhabit the park. We visit the Endangered Primate Rescue Center where a wide variety of native monkeys and gibbons, including critically endangered langurs were saved from wildlife smugglers and are being rehabilitated to return to the wild. Continue cycling from the park to Chi Ne, a small peaceful town on the banks of the Boi River. Here we have lunch before we head back to Hanoi. The drive will take one and a half hours and we should arrive by late afternoon.

NUTS & BOLTS

Bikes

The bikes you will be riding are well-known makes of mountain bikes with lightweight alloy frames, 24- to 27-speed gearing, v-brakes and Shimano components and front suspension. The mountain bike is included in the tour.

You also have an option to hire an electric bike (or an E-Bike) for the price listed in the tour pricing section. We have 2 sizes available: S = 155 cm - 170 cm and M = 171 cm - 180 cm. The E-Bikes are GIANT brand with SHIMANO Alivio 1,9 speed, disc brakes, and adjustable suspension fork.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

Please make sure your passport is valid for a minimum of 6 months beyond the duration of stay in Vietnam. Most nationalities require a visa for Vietnam, however 22 nationalities including citizens of UK, France, Germany, Spain and Italy are exempted from visa when entering Vietnam not exceed 15 days, regardless of type of passport and immigration purpose. However they must acquire a tourist visa if staying longer. For a list of countries exempt go to this [page](#).

For [46 nationalities](#) – including Australians, Canadians and Americans – an [e-visa](#) can be obtained. This must be applied for and received before departure to Vietnam. To check for the E-visa and tourist fee for single entry and multiple entries please check the [Visa fee](#). You must scan a copy of your photo and passport when applying and get your approval letter of your visa on arrival at international airport of Vietnam. To learn more click [Visa process](#). The processing time is 1-3 working days (not include Saturday, Sunday and Vietnamese holiday).

Alternatively you can obtain a visa to Vietnam from the embassy worldwide. Here is the list of [locations](#). You must specify your arrival date when applying for a visa and it is from this date that the 30 days will be calculated. When picking up your visa check to be sure the dates match your travel plans and that it is stamped directly into your passport as it will not be accepted if it is stapled in.

Health

Recommended vaccinations are typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days. Vietnam is a malarial area and you will need to take anti-malarial tablets. Please speak to your doctor for the most up to date information.

Weather

Weather in Vietnam is divided into 4 main regions - the far north, north, central and south.

The far north can get very cold in December and January while the dry season runs from October to late March and the wet season between April to September.

In Hanoi & the north, it is hot, wet and humid from May to October while November to April is cooler and dry.

Central Vietnam experiences hot, dry weather between January & August with temperatures ranging in the mid 30°C. High levels of rainfall are during September - November.

Southern Vietnam is dry and hot from November to April, and warm and wet between May & October, with the highest rainfall in June, July & August.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are Vietnamese food and features noodles, rice curries and soups. Vietnamese cuisine is world famous and we make sure you sample as much variety as possible. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere in Vietnam but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$10, for incidentals. It is customary to tip local tour guides and drivers, however, the amount you give should be dependent on the level of service you receive. As a general guide, we suggest US\$ 3-4 per person per day is appropriate.

Money

The official national currency is the Vietnam dong (d), but the US dollar is widely accepted in tourist centers. However, in smaller towns and villages the dong is preferred. ATMs are available in all major tourist destinations and big cities. Vietcombank has the best network with a single withdrawal limit of 2,000,000d (about US\$125). Most major currencies can be exchanged at leading banks in Vietnam, but the US dollar is preferred away from the tourist centers. Changing US\$100 will make you an instant millionaire! You cannot legally take the dong out of Vietnam but you can reconvert reasonable amounts of it into US dollars on departure.
