TRIP PROFILE

Our bicycle journey will be on quiet back roads, estate tracks, and gravel paths. We cover 222 km in 5 cycling days, and much, if not most, of the terrain is undulating. When you combine the great variety of cycling with the cultural and natural attractions, there is plenty to delve into and enjoy.

Suitability: This trip is an active tour, which means you can expect to exert yourself on some sections of the ride. Cyclists should be in relatively overall good physical shape with at least a moderate degree of cycling experience. Being physically fit will, of course, be a huge asset, but as the tour is fully supported, the van is always close at hand if needed.

Biking Conditions: The road surfaces are mixed: most days, we ride on reasonably good quality asphalt roads, but there are enough sections on very badly broken or dirt tracks that you will need a mountain bike, preferably one with front shocks. However, there is nothing technical involved on this tour, and anyone, assuming they have a reasonable level of fitness, will be able to join. A support truck is always available to help.

Day 1 Arrive in Sri Lanka

We will meet you at Bandaranayake International Airport upon your flight arrival and transfer you to our nearby hotel in Negombo for a welcome dinner.

Day 2 Negombo - Kandy

We depart in the early morning and transfer from Negombo to fertile Mawanella. Our ride begins amidst coconut and rubber plantations and skirts rice paddy fields and local villages. After a gentle warm-up, it's time to start climbing up to and through the Balana Gap. We then ride down to the Royal Botanical Gardens where we take a break to see some of the more than 4,000 species of plants. It's then a short ride onto the beautiful UNESCO World Heritage town of Kandy, one of Sri Lanka's most sacred destinations. Surrounded by mountain ranges and built around a lake, Kandy is home to the Temple of the Tooth, where a sacred tooth relic of Lord Buddha has been enshrined since the 4th century AD.

Day 3 Kandy - Dambulla

After breakfast we have a short transfer to the town of Matale, known for its cultivation of spices. Here we start riding towards Dambulla using a mix of tarmac and red dirt roads. Our scenery will again be dominated by bright fruit orchards, rice paddy fields, and the huge elephant grass that grows wild. Our destination is the Golden Temple of Dambulla, a UNESCO Heritage site. This famous rock temple dates back to the first century BC, and we explore the caves that sheltered King Walagamba during his 14 years of exile from Anuradhapura. Once he regained the throne, he built some of the most magnificent rock temples to be found on the Island. We finish at our hotel where there'll be time for a swim before dinner.

Day 4 Dambulla - Sigiriya - Polonnaruwa

Our tour pedals out of Dambulla and proceeds to the unique ancient 5th century rock fortress of Sigiriya (Lion Rock). As we ride along the shores of Kandalama Lake, we'll get excellent views of Sigiriya, another UNESCO World Heritage site. We park our bikes and climb up to the abandoned royal palace, converted to a Buddhist monastery. On our way up, we pass famous frescoes and mirror wall. The views from the top are fantastic and more than worth the effort. Once we have explored Sigiriya thoroughly, we'll have a short transfer to our hotel in Polonnaruwa.

Day 5 Polonnaruwa - Minneriya National Park - Polonnaruwa

An early morning jeep safari awaits as we head to Minneriya National Park to hopefully find some wild elephants. This morning is the chance to see some signature wildlife of Sri Lanka in an uninhabited wilderness environment. The park is the habitat for wild elephants, buffaloes, boar, spotted deer, sloth bear, sambhur leopards, crocodiles, jackals also varieties of butterflies. Our morning safari ends with a snack, and then it's time to mount the bicycles again. We cycle back to Polonnaruwa on a smooth tree-lined road through a forest reserve. When we reach the Polonnaruwa Tank, a very large man-made lake, we have lunch and relax as we still have a busy afternoon ahead of us. We next explore our fourth UNESCO Heritage site, Polonnaruwa, the 10th century capital and best preserved of Sri Lanka's ancient cities.

🏠 Giritale Hotel 🍴 Breakfast, Lunch, Dinner

Day 6 Polonnaruwa - Anuradhapura

We start the day with a drive of about 2 hours, so we can ride through the ruins of Anuradhapura, the most celebrated of Sri Lanka's ancient cities. It is one of the oldest continuously inhabited cities in the world. From the 4th century BC, it was the capital of the Sinhalese until the beginning of the 11th century AD. During this period, it remained one of the most stable and durable centres of political power and urban life in South Asia. Considered sacred to Buddhists, we'll see the Bodhi-Tree said to have grown from a branch of the tree under which the Buddha gained enlightenment. The riding will be flat and interesting, and you have a cool down in the hotel pool to look forward to after our day of cycling.

🏠 Rajarata Hotel 🍴 Breakfast, Lunch, Dinner

Day 7 Anuradhapura – Colombo

After breakfast, we transfer you to Colombo for your flight onwards or trip extension to Galle.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Included in this tour are well-known makes of mountain bikes

If you bring your own bike, please make sure it is a mountain bike, preferably with front suspension, in good mechanical order.

We also have E-Bikes available for hire. but they are limited in number & size - please send an email to us to check on availability.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

To enter Sri Lanka, you need to obtain an Electronic Travel Authorization (ETA). Please visit the official ETA website [here](#). Submit your application, pay the processing fee (typically \$55 USD for most countries), and receive your ETA via email. The ETA allows a stay of up to 30 days in Sri Lanka. Upon arrival at the airport, present your passport to the immigration officer to receive the necessary clearance. It is advisable to carry a copy of your ETA approval notice. You must also present a passport valid for at least six months from the date of arrival, along with a confirmed return ticket.

Keep in mind that the ETA is valid for six months from the date of issue, so plan accordingly to avoid it expiring before your trip. The processing time usually takes 1-3 working days, but it can sometimes take longer, so it's best to apply at least a week in advance to be safe.

Health

We recommend that you visit a travel medical doctor and ask about vaccines and /or antimalarial tablets. This is also a good opportunity to discuss important travel health issues including safe food and water, accidents, [sun exposure](#) and insect bites as the problems experienced cannot be prevented by vaccinations and other preventive measures need to be taken.

Weather

Sri Lanka has a tropical climate, with distinct dry and wet seasons. The seasons are slightly complicated by having two monsoons. From May to August the Yala monsoon brings rain to the island's southwestern half and the Maha monsoon blows from October to January, bringing rain to the North and East. There is also an inter-monsoonal period in October and November when rain can occur in many parts of the island. Average temperatures for Colombo and the low-lying coastal regions are 27°C while at the higher altitudes like Kandy (500m), the average temperature is 20°C. A gortex rain jacket and a warm jumper for the central highlands are suggested clothing.

The best months to visit Sri Lanka are from December to March for the west coast, and from April to September for historical sites and the east coast. As we are traveling the length of the country it is likely for us to experience rain, however, it will be warm and we will likely continue riding through it.

Accommodation

The hotels listed are our first choice and where we hope you will stay, however, during festivals or other major events there is a chance we will have to substitute another hotel.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature rice and curries. Sri Lankan curries come in many varieties of colors and flavors and can be meat- or fish- based dishes, but there are also vegetable and even fruit curries. Many of the spices used have ayurvedic value when used in curries. Meals are a mixture of local and western cuisines, with the local key ingredients being rice, coconut and especially spices, reflecting the island's history as a spice producer and trading center for hundreds of years. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is readily available everywhere but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$10 a day for incidentals.

Money

The Sri Lankan currency is the rupee (Rs). There are several money changers in the capital as well as major tourist cities and attractions. They generally don't charge commission and their rates are pretty good, with unlicensed money changers giving slightly better rates than officially licensed ones. However, ATMs are recommended if you are unsure and afraid of getting ripped off. ATMs have spread to all of the cities and major regional centers of Sri Lanka with Commercial Bank having the largest network of ATMs accepting international Visa, MasterCard, and Cirrus/Maestro cards. Any bank or exchange bureau will change major currencies into cash, including US dollars, euros and pounds sterling. To get the best rates, change rupees back into hard currency before you leave the country.
